

Eco-schools Meeting

Tuesday 6th December

Attendees: Miss Waugh and the Eco schools team.

Minutes:

- We have arranged for Alkrington Primary School to visit our school next term. We will discuss the Eco-schools green award and our next steps.
- We would like to continue to monitor paper recycling in all classes and Eco school monitors will check this daily.
- Mitchell in Year 6 is the fruit bin monitor and is to continue this daily by putting the waste fruit in the compost bin.
- We have ordered new gardening resources and would like to set up a gardening club in the spring term.
- Each class to be assigned a vegetable planter and grow these in the garden area. Planting to begin next term.
- Year 4 have noticed a reduction in litter in the playgrounds. The eco monitors are litter picking 3 times a week. We will continue this next term.
