2024

What do I know
about me?

Children will be able to...

- ⇒ Talk about how we are similar and different.
- ⇒ Talk about their family and recognise how families are different.
- ⇒ Draw a self portrait
- ⇒ Understand that people from our class might be from different parts of the world.
- ⇒ Understand that houses are different around the world
- ⇒ Name their body parts and talk about what they can achieve with their bodies.

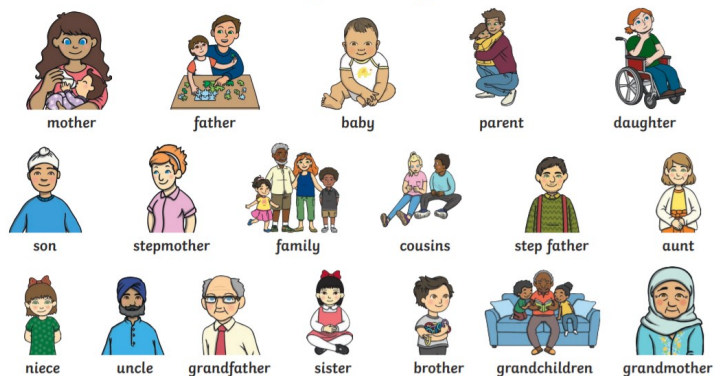

As part of our unit of work we will be learning about ourselves, the people around us and thinking about how we use our bodies. We will look at the artist Freda Kahlo and draw our own self portraits. We will learn about where in the world we live now and where we were born.

Key questions:

How am I the same?
How am I different?
What makes a family?
Why do I look like I do?
What I like best is...
Where in the world do my family come from?
What can I do with my body?
