

## Nursery Long Term Plan 2024-2025

	Autumn 1 (4/9/24-25/10/24) 7 weeks 3 days	Autumn 2 (4/11/24-20/12/24) 7 weeks	Spring 1 (6/1/25-14/2/25) 6 weeks	Spring 2 (24/2/25-4/4/25) 6 weeks	Summer 1 (22/4/25-23/5/25) 5 weeks	Summer 2 (3/6/25-18/7/25) 7 weeks
<b>Topic theme</b>	 <p style="text-align: center;"><b>Who lives in my house?</b></p> <p>Children talk about the people who live in their house and the people who are important to them. The talk about special people in their families. They explore different types of houses and materials used for making houses. They explore what it is like around their house and understand the local environment. Children explore the people that might visit their house including people who might help them.</p>	 <p style="text-align: center;"><b>Who can help us?</b></p> <p>Children explore the different people who help us. Including how we our friends and adults in school can help us. We learn how to be a good friend to others. We learn about the emergency services and how they can help us. We also learn about the people who help to keep our bodies healthy. Children also think about what they want to be when they grow up.</p>	 <p style="text-align: center;"><b>Where do rainbows come from?</b></p> <p>Children explore the weather and how the weather around us changes. They will explore colours and how to changed colours. They will learn about different types of weather around the world and look at some weather extremes. Children will explore puddles and what happens to puddles.</p>	 <p style="text-align: center;"><b>How do I get about and how do things move?</b></p> <p>Children explore forces and how things move. They compare how they move and how animals move. They explore how toys move and what makes them working including understanding the use of electricity and wind up mechanisms. They think about the different modes of transport they use. They explore which transport we would use for different things. They explore how we would travel to a different country.</p>	 <p style="text-align: center;"><b>What happened to Jack's beans?</b></p> <p>Children will explore plants and how they grow. They will think about what Jack's beans needed in order to grow well. They will look at different flowers and talk about the features and purpose of these. They will grow different plants including bean plants and sunflowers. Children will think about which foods come from plants and try different foods.</p>	 <p style="text-align: center;"><b>Will we find a shark in Manchester?</b></p> <p>Children will learn to compare and contrast animals that live in the sea and on land. They will focus on sea creatures and learn about the conservation of animals. They will also learn about how we can protect the sea and the creatures that live there. Children will learn about the dangers of plastics in our oceans.</p>
