## Spring Term 2

### 2024/25

We hope you had a lovely week off and we cannot believe we are half way through the academic year. Last term, we got to work with different children in our class as well as participating in Drumz Aloud. We looked at winter and felt lots of cold items. The children loved exploring (and eating) the ice we had in our classrooms. We learnt about different animals that live in the polar regions, as well as finding out where the polar regions are.

### Topic Over the Rainbow

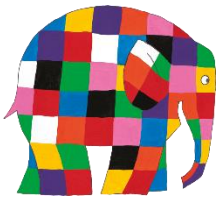

This term we are going to be learning about the weather and colours. We will be exploring rain, sun and rainbows, even being able to use an umbrella under our own rain shower. We will look at colours and then explore a rainbow. In science week, we will look at lots of experiments involving colours.

### Important Dates

- Monday 24<sup>th</sup> February** – School opens for Spring 2
- Tuesday 4<sup>th</sup> March** – Pancake Day – The children will taste pancakes in school
- Thursday 6<sup>th</sup> March** – World Book Day
- Friday 7<sup>th</sup> March** – Non-Uniform day in exchange for an Easter chocolate item
- Monday 10<sup>th</sup> March** – Science Week
- Wednesday 26<sup>th</sup> March** – Mother's Day Afternoon Tea at 2pm
- Thursday 27<sup>th</sup> March** – Mother's Afternoon Tea at 2pm
- Tuesday 1<sup>st</sup> April** - Parents language and reading workshop at 2:40pm or 4:30pm
- Friday 4<sup>th</sup> April** – School finishes for the holidays

### English and Maths

In English, we will be focusing on Elmer. We will explore the books, Elmer's weather and Elmer's colours. During World Book Day, we will look at another Elmer book and link our learning to this.

In Maths, we are focusing on shapes. You will receive a home learning pack where you can use the shapes cards around the house to find items on that shape.

### Parents Communication, Language and Literacy Workshop

**Tuesday 1<sup>st</sup> April at 2:40pm or 4:30pm**

Please join us for a workshop where we will introduce our new story bags and let you know what we do in school to help your child to communicate, read and write. This will include ways you can help at home.

### Tapestry

Please continue to upload to tapestry as we really enjoy seeing what the children have got up to at home. This term if you could upload anything that your child does regarding ICT at home this would be great. This could include, finding a game on a table, turning the TV on, listening to music with headphones etc. This will then help with their assessments in school. We also share what we have been doing in class so please check as often as possible.

### Mother's Day Afternoon Tea – Wednesday 26<sup>th</sup> March or Thursday 27<sup>th</sup> March at 2pm

Please join us for an afternoon tea with your child, then you can stay and play with your child and create some Mother's Day crafts. Please book via parent pay.

### Dojo

We are going to trial a new way of communicating with you what we have been doing each week on dojo. If your child has done some super learning that day or has had a fantastic day we will let you know on here. Please can you make sure you are signed and logged in so we can communicate with you when we need to.

Thank you for all your support and we are looking forward to another great term with your children.

Any questions please ask us.
