

Eco –schools Meeting

**Eco-Schools
Silver Award**

Date: Tuesday 23rd January

Attendees: Rebecca, Anna, Kyle, Daisy-Louise, Daniel, Kaiden, Daisy, Lewis, Ben and Macie-leigh.

- The Eco –team would like to develop a gardening club in the summer term. They want classes to plant potatoes, carrots, tomatoes and strawberries.
- The team would like to run a hanging basket competition and the winner will receive a prize.
- All members of the Eco-team are checking daily that paper is recycled in the paper bins.
- The school litter pickers are collecting rubbish twice a week. The Eco-team has decided that they will allow Year 2 –Anna and Kyle to monitor waste around school. This will be weighed and the data will be collected.
- The team would like all classes to visit the local allotment in the summer term for gardening and Eco.
