1. Aims

The academies within The Bolton Impact Trust aim to meet their statutory obligations when responding to complaints from parents of pupils at the school, and others.

When responding to complaints, we aim to:

- Be impartial and non-adversarial
- Facilitate a full and fair investigation by an independent person or panel, where necessary
- Address all the points at issue and provide an effective and prompt response
- Respect complainants' desire for confidentiality
- Treat complainants with respect and courtesy
- Ensure that any decisions we make are lawful, rational, reasonable, fair and proportionate, in line with the principles of administrative law
- Keep complainants informed of the progress of the complaints process
- Consider how the complaint can feed into school improvement evaluation processes

We try to resolve concerns or complaints by informal means wherever possible. Where this is not possible, formal procedures will be followed.

Each academy will aim to give the complainant the opportunity to complete the complaints procedure in full.

To support this, we will ensure we publicise the existence of this policy and make it available on the school website.

Throughout the process, we will be sensitive to the needs of all parties involved, and make any reasonable adjustments needed to accommodate individuals.

2. Legislation and guidance

This document meets the requirements set out in part 7 of the schedule to [the Education \(Independent School Standards\) Regulations 2014](#), which states that we must have and make available a written procedure to deal with complaints from parents of pupils at the school.

It is also based on guidance published by the Education and Skills Funding Agency (ESFA) on [creating a complaints procedure that complies with the above regulations](#), and refers to [good practice guidance on setting up complaints procedures](#) from the Department for Education (DfE).

This policy complies with our funding agreement and articles of association.

3. Definitions and scope

3.1 Definitions

The DfE guidance explains the difference between a concern and a complaint:

- A **concern** is defined as “an expression of worry or doubt over an issue considered to be important for which reassurances are sought”
- A **complaint** is defined as “an expression of dissatisfaction however made, about actions taken or a lack of action”

3.2 Scope

Each academy within The Bolton Impact Trust intends to resolve complaints informally where possible, at the earliest possible stage.

There may be occasions when complainants would like to raise their concerns formally. This policy outlines the procedure relating to handling such complaints.

This policy does **not** cover complaints procedures relating to:

- Admissions
- Statutory assessments of special educational needs (SEN)
- Safeguarding matters
- Exclusion
- Whistle-blowing
- Staff grievances
- Staff discipline

Please see our separate policies for procedures relating to these types of complaint.

Arrangements for handling complaints from parents of children with special educational needs (SEN) about the school’s support are within the scope of this policy. Such complaints should first be made to the class teacher or the SENCO; they will then be referred to this complaints policy. The academies SEN policy and information report includes information about the rights of parents of pupils with disabilities who believe that the school has discriminated against their child.

Complaints about services provided by other providers who use school premises or facilities should be directed to the provider concerned.

4. Roles and responsibilities

4.1 The complainant

The complainant will get a more effective and timely response to their complaint if they:

- Follow these procedures
- Co-operate with the school throughout the process, and respond to deadlines and communication promptly
- Ask for assistance as needed
- Treat all those involved with respect
- Not publish details about the complaint on social media

4.2 The investigator

An individual will be appointed to look into the complaint, and establish the facts. They will:

- Interview all relevant parties, keeping notes
- Consider records and any written evidence and keep these securely
- Prepare a comprehensive report to the Academy Lead, Executive Principal or complaints committee which includes the facts and potential solutions

4.3 Clerk to the local governing body

The clerk will:

- Be the contact point for the complainant and the complaints committee, including circulating the relevant papers and evidence before complaints committee meetings
- Arrange the complaints hearing
- Record and circulate the minutes and outcome of the hearing

4.4 Committee chair

The committee chair will:

- Chair the meeting, ensuring that everyone is treated with respect throughout
- Make sure all parties see the relevant information, understand the purpose of the committee, and are allowed to present their case

5. Principles for investigation

When investigating a complaint, we will try to clarify:

- What has happened
- Who was involved
- What the complainant feels would put things right

5.1 Time scales

The complainant must raise the complaint within **3 months** of the incident. If the complaint is about a series of related incidents, they must raise the complaint within 3 months of the last incident.

We will consider exceptions to this time frame in circumstances where there were valid reasons for not making a complaint at that time and the complaint can still be investigated in a fair manner for all involved.

When complaints are made out of term time, we will consider them to have been received on the first school day after the holiday period.

If at any point we cannot meet the time scales we have set out in this policy, we will:

- Set new time limits with the complainant
- Send the complainant details of the new deadline and explain the delay

6. Stages of complaint (not complaints against the Academy Lead, Governors, Central Leadership Team or Trustees)

6.1 Stage 1: informal

Each academy within The Bolton Impact Trust will take informal concerns seriously and make every effort to resolve the matter quickly. It may be the case that the provision or clarification of information will resolve the issue.

The complainant should raise the complaint as soon as possible with the relevant member of staff or the Academy Lead, either in person or by letter, telephone or email. If the complainant is unclear who to contact or how to contact them, they should contact the Academy Lead:

Academy	Contact Number	Email
Youth Challenge Primary	01204 333872	buchananl@boltonimpacttrust.org.uk
Youth Challenge Secondary	01204 333872	hockenhulln@boltonimpacttrust.org.uk
Forwards Centre	01204 333660	fieldingc@boltonimpacttrust.org.uk
Park School	01204 333700	banksh@boltonimpacttrust.org.uk
Personal Learning Centre	01204 471358	wooseya@boltonimpattrust.org.uk
Lever Park	01204 332666	taylorm@boltonimpacttrust.org.uk

The school will acknowledge informal complaints within **5 school days**, and investigate and provide a response within **10 school days**.

The informal stage will involve a meeting between the complainant and the Academy Lead and subject of the complaint, if appropriate.

The vast majority of concerns can be resolved informally. There are many occasions where the class teacher, office staff, or the Academy Lead, can resolve concerns straight away. It is in everyone's best interests that complaints are resolved at the earliest possible stage. Complainants must feel able to raise their complaint with members of staff without any formality, either in person, by telephone or in writing.

If the complaint is not resolved informally, it will be escalated to a formal complaint.

6.2 Stage 2: formal

The formal stage involves the complainant putting the complaint to the Academy Lead and/or the subject of the complaint:

- In a letter or email
- Over the phone
- In person
- Through a third party acting on their behalf

The complainant should provide details such as relevant dates, times and the names of witnesses of events, alongside copies of any relevant documents. The complainant should also state what they feel would resolve the complaint.

If complainants need assistance raising a formal complaint, they can contact the school office. See contact details above.

The Academy Lead (or other person appointed by the Academy Lead for this purpose) will then arrange an initial meeting with the complainant, if required, before conducting their own investigation. The written conclusion of this investigation will be sent to the complainant within **10 school days**.

If the complainant is not satisfied with the response and wishes to proceed to the next stage of this procedure, they should inform the Executive Principal in writing within 10 school days.

Executive Principal: Paul Hodgkinson hodgkinsonp@boltonimpacttrust.org.uk

6.3 Stage 3: review panel

Complaints will be escalated to the panel hearing stage if the complainant is not satisfied with the response to the complaint at the second, formal, stage.

The panel will be appointed by or on behalf of The Trust and must consist of at least 3 people who were not directly involved in the matters detailed in the complaint. At least 1 panel member must be independent of the management and running of the school. The panel cannot be made up solely of local governing board members or trustees, as they are not independent of the management and running of the school.

The panel will have access to the existing record of the complaint's progress (see section 10).

The complainant must have reasonable notice of the date of the review panel; however, the review panel reserves the right to convene at their convenience rather than that of the complainant. At the review panel meeting, the complainant and representatives from the school, as appropriate, will be present. Each will have an opportunity to set out written or oral submissions prior to the meeting.

The complainant must be allowed to attend the panel hearing and be accompanied if they wish.

At the meeting, each individual will have the opportunity to give statements and present their evidence, and witnesses will be called, as appropriate, to present their evidence.

The panel, the complainant and the school representative(s) will be given the chance to ask and reply to questions. Once the complainant and school representative(s) have presented their cases, they will be asked to leave and evidence will then be considered.

The panel will then put together its findings and recommendations from the case. The panel will also provide copies of the minutes of the hearing and the findings and recommendations to the complainant and, where relevant, the individual who is the subject of the complaint, and make a copy available for inspection by the proprietor and the Academy Lead.

The school will inform those involved of the decision in writing within 5 school days.

7. Complaints against the Academy Lead, a governor or the local governing board

7.1 Stage 1: informal

Complaints made against the Academy Lead or any member of the local governing board should be directed to the Executive Principal in the first instance.

The Executive Principal will carry out the steps at stage 1 (set out in section 6 above).

If the complaint is jointly about the chair and vice-chair, the entire local governing board or the majority of the local governing board, a member of the trust board will carry out the steps.

7.2 Stage 2: formal

A member of the trust board will carry out the steps in stage 2 (set out in section 6 above). They will write a formal response at the end of their investigation.

7.3 Stage 3: review panel

An appointed committee will hear the complaint as part of a review panel and will carry out the steps at stage 3 (set out in section 6 above).

8. Complaints against the trust central team

8.1 Stage 1: informal

Complaints made against any member of the central team (excluding the Executive Principal) should be directed to the Executive Principal in the first instance who will carry out the steps at stage 1 (set out in section 6).

If the complaint is about the Executive Principal it should be directed to the Chair of Trustees who will carry out the steps at stage 1 (set out in section 6).

8.2 Stage 2: formal

The Executive Principal will carry out the steps in stage 2 (set out in section 6 above) for formal complaints about the central team. The Chair of Trustees will take this role if the complaint is about the Executive Principal. They will write a formal response at the end of their investigation.

8.3 Stage 3: review panel

An appointed committee will hear the complaint at this stage and carry out steps at stage 3 (set out in section 6)

9. Referring complaints on completion of the school's procedure

If the complainant is unsatisfied with the outcome of the trust's complaints procedure, they can refer their complaint to the ESFA. The ESFA will check whether the complaint has been dealt with properly by the school. The ESFA will not overturn a school's decision about a complaint. However, it will look into:

- Whether there was undue delay, or the school did not comply with its own complaints procedure
- Whether the school was in breach of its funding agreement with the secretary of state

- › Whether the school has failed to comply with any other legal obligation

If the school did not deal with the complaint properly, it will be asked to re-investigate the complaint. If the school's complaints procedure is found to not meet regulations, the school will be asked to correct its procedure accordingly.

For more information or to refer a complaint, see the following webpage:

<https://www.gov.uk/complain-about-school>

We will include this information in the outcome letter to complainants.

10. Persistent complaints

10.1 Unreasonably persistent complaints

Most complaints raised will be valid, and therefore we will treat them seriously. However, a complaint may become unreasonable if the person:

- › Has made the same complaint before, and it's already been resolved by following the trust's complaints procedure
- › Makes a complaint that is obsessive, persistent, harassing, prolific, defamatory or repetitive
- › Knowingly provides false information
- › Insists on pursuing a complaint that is unfounded, or out of scope of the complaints procedure
- › Pursues a valid complaint, but in an unreasonable manner e.g. refuses to articulate the complaint, refuses to co-operate with this complaints procedure, or insists that the complaint is dealt with in ways that are incompatible with this procedure and the time frames it sets out
- › Changes the basis of the complaint as the investigation goes on
- › Makes a complaint designed to cause disruption, annoyance or excessive demands on school time
- › Seeks unrealistic outcomes, or a solution that lacks any serious purpose or value

Steps we will take

We will take every reasonable step to address the complainant's concerns, and give them a clear statement of our position and their options. We will maintain our role as an objective arbiter throughout the process, including when we meet with individuals. We will follow our complaints procedure as normal (as outlined above) wherever possible.

If the complainant continues to contact the school in a disruptive way, we may put communications strategies in place. We may:

- › Give the complainant a single point of contact via an email address
- › Limit the number of times the complainant can make contact, such as a fixed number per term
- › Ask the complainant to engage a third party to act on their behalf, such as [Citizens Advice](#)
- › Put any other strategy in place as necessary

Stopping responding

We may stop responding to the complainant when all of these factors are met:

- › We believe we have taken all reasonable steps to help address their concerns
- › We have provided a clear statement of our position and their options

- The complainant contacts us repeatedly, and we believe their intention is to cause disruption or inconvenience

Where we stop responding, we will inform the individual that we intend to do so. We will also explain that we will still consider any new complaints they make.

In response to any serious incident of aggression or violence, we will immediately inform the police and communicate our actions in writing. This may include barring an individual from our school site.

10.2 Duplicate complaints

If we have resolved a complaint under this procedure and receive a duplicate complaint on the same subject from a partner, family member or other individual, we will assess whether there are aspects that we hadn't previously considered, or any new information we need to take into account.

If we are satisfied that there are no new aspects, we will:

- Tell the new complainant that we have already investigated and responded to this issue, and the local process is complete
- Direct them to the DfE if they are dissatisfied with our original handling of the complaint

If there are new aspects, we will follow this procedure again.

10.3 Complaint campaigns

Where the school receives a large volume of complaints about the same topic or subject, especially if these come from complainants unconnected with the school, the school may respond to these complaints by:

- Publishing a single response on the school website
- Sending a template response to all of the complainants

If complainants are not satisfied with the school's response, or wish to pursue the complaint further, the normal procedures will apply.

11. Record keeping

Each academy within The Bolton Impact Trust will record the progress of all complaints, including information about actions taken at all stages, the stage at which the complaint was resolved, and the final outcome. The records will also include copies of letters and emails, and notes relating to meetings and phone calls.

This material will be treated as confidential and held centrally, and will be viewed only by those involved in investigating the complaint or on the review panel.

This is except where the secretary of state (or someone acting on their behalf) or the complainant requests access to records of a complaint through a freedom of information (FOI) request or through a subject access request under the terms of the Data Protection Act, or where the material must be made available during a school inspection.

Records of complaints will be kept securely, only for as long as necessary and in line with general data protection regulations (GDPR).

The details of the complaint, including the names of individuals involved, will not be shared with the whole local governing body or board of trustees in case a review panel needs to be organised at a later point.

Where the local governing body is aware of the substance of the complaint before the review panel stage, the school will (where reasonably practicable) arrange for an independent panel to hear the complaint.

Complainants also have the right to request an independent panel if they believe there is likely to be bias in the proceedings. The decision to approve this request is made by the local governing body, who will not unreasonably withhold consent.

12. Learning lessons

The academy local governing body and the trust risk and audit committee will review any underlying issues raised by complaints with the central leadership team and academy lead, where appropriate, and respecting confidentiality, to determine whether there are any improvements that the trust can make to its procedures or practice to help prevent similar events in the future.

13. Monitoring arrangements

The local governing body and the trust risk and audit committee will monitor the effectiveness of the complaints procedure in ensuring that complaints are handled properly. The academy local governing body and the trust risk and audit committee will track the number and nature of complaints, and review underlying issues as stated in section 11.

The complaints records are logged and managed by the Academy Leads in each academy.

This policy will be reviewed by the Trust Vice principal every 2 years. At each review, the policy will be approved by Central Leadership Team.
