<p>Off-site sporting enrichment activities</p>	<p>Provide sports equipment for each class bubble</p> <p>The centre offers a range of off- site outdoor sporting opportunities. In addition to the wellbeing benefit of being involved in physical activity in the open air, the sessions provide a dedicated time for children/staff to develop good quality relationships. This allows children to use social engagement as a self-regulating tool when they find themselves in a challenging situation back in the centre. Many of our children have been excluded from school trips and so these sessions expose them to a range of outdoor physical activities that they would otherwise not experience.</p> <p>The sessions provide a level of personal challenge for each child and the opportunity for success and</p>	<p>£309</p> <p>£16,528</p>	<p>To allow each class to take part in sporting activities during break-times.</p> <p>To improve relationships to support social engagement with a view to supporting pupil’s ability to cope in situations that they find challenging.</p> <p>To widen children’s awareness of outdoor physical activities that are available to them as they get older.</p> <p>To promote personal development</p> <p>To develop relationships between staff and pupils which promotes positive behaviour in class.</p>	<p>Equipment was provided for each class bubble. This removed a potential barrier to both sporting activities taking place during break times and PE lessons.</p> <p>The provision of off-site outdoor sport was not possible, and this amount will roll forward into the next academic year.</p>
