1. Introduction and aims

At Lever Park we recognise that mobile phones, including smart phones, are an important part of everyday life for our pupils, parents/carers and staff, as well as the wider school community.

Our policy aims to:

- Promote, and set an example for, safe and responsible phone use
- Set clear guidelines for the use of mobile phones for pupils, staff, parents/carers and volunteers
- Support the school's other policies, including the behaviour policy, safeguarding and child protection policy, acceptable use of ICT policy, Data Protection policy and Social Media policy.

This policy also aims to address some of the challenges posed by mobile phones in school, such as:

- Risks to child protection
- Data protection issues
- Potential for lesson disruption
- Risk of theft, loss, or damage
- Appropriate use of technology in the classroom

2. Roles and responsibilities

2.1 Staff

All staff (including teachers, support staff and supply staff) are responsible for enforcing this policy. Volunteers, or anyone else otherwise engaged by the school, must alert a member of staff if they witness, or are aware of, a breach of this policy.

The Academy Lead is responsible for monitoring the policy annually, reviewing it, and holding staff and pupils accountable for its implementation.

3. Use of mobile phones by staff

3.1 Personal mobile phones

Staff (including volunteers, contractors and anyone else otherwise engaged by the school) are not permitted to make or receive calls, or send texts, while children are present. Use of personal mobile phones must be restricted to non-contact time, and to areas of the school where pupils are not present.

There may be circumstances in which it's appropriate for a member of staff to have use of their phone during contact time. For instance:

- For emergency contact by their child, or their child's school
- In the case of acutely ill dependents or family members

The academy lead will decide on a case-by-basis whether to allow for special arrangements.

If special arrangements are not deemed necessary, school staff can use the school office number 01204 332666 as a point of emergency contact.

3.2 Data protection

Staff must not use their personal mobile phones to process personal data, or any other confidential school information, including entering such data into generative artificial intelligence (AI) tools such as chatbots (e.g. ChatGPT and Google Bard).

Further information can be found in our Data Protection, Information Management and Retention policy and our Acceptable Use of ICT and Cyber Bullying policy

3.3 Safeguarding

Staff must refrain from giving their personal contact details to parents/carers or pupils, including connecting through social media and messaging apps.

Staff must avoid publicising their contact details on any social media platform or website, to avoid unwanted contact by parents/carers or pupils

Staff should inform the academy lead if a personal mobile phone has been used for work purposes and if any parents/carers or pupils have attempted to make contact via social media or messaging apps.

See the Acceptable use of ICT policy and Social media policy for further details.

Staff must not use their mobile phones to take photographs or recordings of pupils, their work, or anything else which could identify a pupil. If it's necessary to take photos or recordings as part of a lesson/school trip/activity, this must be done using school equipment.

3.4 Using personal mobiles for work purposes

In some circumstances, it may be appropriate for staff to use personal mobile phones for work. Such circumstances may include, but aren't limited to:

- Emergency evacuations
- Supervising off-site trips
- Supervising residential visits

In all instances a school device should be sought in the first instance to avoid the use of personal devices. If a school device is unavailable approval should be sought from the academy lead for the use of a personal device.

In these circumstances, staff will:

- Use their mobile phones in an appropriate and professional manner, in line with our staff code of conduct
- Not use their phones to take photographs or recordings of pupils, their work, or anything else which could identify a pupil
- Refrain from using their phones to contact parents/carers. If necessary, contact must be made via the school office or by using the withheld number feature.

3.5 Work phones

Some members of staff are provided with a mobile phone by the school for work purposes.

Only authorised staff are permitted to use school phones, and access to the phone must not be provided to anyone without authorisation.

Staff must:

- Only use phone functions for work purposes, including making/receiving calls, sending/receiving emails or other communications, or using the internet

- Ensure that communication or conduct linked to the device is appropriate and professional at all times, in line with our staff code of conduct.
- Adhere with the acceptable use of ICT policy in relation to the use of the work mobile phone or device.

3.6 Sanctions

Staff that fail to adhere to this policy may face disciplinary action.

See the trust's staff disciplinary and dismissals policy for more information.

4. Use of mobile phones by pupils

Pupils at Lever Park are discouraged from bringing mobile phones to school with them. However, pupils are theoretically allowed to bring a mobile to school, but these must be switched off and handed in (to the school office or an appropriate staff member (*e.g. Form Teacher*) on arrival. Pupils are not permitted to use their phone at any point in the school day but we appreciate that Pupils may require their phone when travelling to and from school.

Pupils must adhere to the school's home school for mobile phone use (see appendix 1).

4.1 Sanctions

Explain the sanctions you will use if a pupil is in breach of this policy.

For example:

- If a student is found to have a mobile phone on them, then they will initially be given an opportunity to do the right thing: to turn the phone off and hand it in.
- Where a pupil continues to use their phone, is caught using their phone repeatedly, or refuses to hand it in to staff, then their phone can be confiscated by a member of SLT. (Schools are permitted to confiscate phones from pupils under sections 91 and 94 of the Education and Inspections Act 2006). If the pupil refuses to surrender their phone to the SLT member, then further sanctions will be implemented *e.g. Fixed Term Suspensions*
- Pupils that make the correct choice, may then collect their phone from a member of the senior leadership team at the end of the school day.
- If instances of recidivism occur then students may be placed on a 'Wand List' and will be checked by a staff member before they are allowed into the building. If they are then found to be in possession of a mobile phone they are then required to hand it in before they are allowed into school.

School staff have the power to search pupils' phones, as set out in the DfE's guidance on searching, screening and confiscation. The DfE guidance allows schools to search a pupil's phone if they have reason to believe the phone contains pornographic images, or if it is being/has been used to commit an offence or cause personal injury.

In the event of inappropriate content being found appropriate measures will be taken. This could include support via an early help assessment, support through key working or intervention sessions with the individual, class, form group or whole school.

Information may also be shared with Children's Services, relevant professionals and/or the police.

Certain types of conduct, bullying or harassment can be classified as criminal conduct. The school takes such conduct extremely seriously and will involve the police or other agencies as appropriate.

Such conduct includes, but is not limited to:

- Sexting (consensual and non-consensual sharing nude or semi-nude images or videos)
- Upskirting
- Threats of violence or assault
- Abusive calls, emails, social media posts or texts directed at someone on the basis of someone's ethnicity, religious beliefs or sexual orientation

5. Use of mobile phones by parents/carers, volunteers and visitors

Parents/carers, visitors and volunteers (including governors, trustees and contractors) must adhere to this policy as it relates to staff if they are on the school site during the school day.

This means:

- Not taking pictures or recordings of pupils, unless it's a public event (such as a school fair), or of their own child
- Using any photographs or recordings for personal use only, and not posting on social media without consent
- Not using phones in lessons, or when working with pupils

Parents/carers, visitors and volunteers will be informed of the rules for mobile phone use when they sign in at reception or attend a public event at school via a summary of the rules.

Parents/carers or volunteers supervising school trips or residential visits must not:

- Use their phone to make contact with other parents/carers
- Take photos or recordings of pupils, their work, or anything else which could identify a pupil

Parents/carers or volunteers supervising trips are also responsible for enforcing the school's policy for pupils using their phones, as set out in section 4 above.

Parents/carers must use the school office as the first point of contact if they need to get in touch with their child during the school day. They must not try to contact their child on his/her personal mobile during the school day.

6. Loss, theft or damage

Pupils bringing phones to school must ensure that phones are secured as much as possible, including using passwords or pin codes to protect access to the phone's functions. Pupils should also ensure that they store their phone safely. Staff must also secure their personal phones, as well as any work phone provided to them. Failure by staff to do so could result in data breaches.

The school accepts no responsibility for mobile phones that are lost, damaged or stolen on school premises or transport, during school visits or trips, or while pupils are travelling to and from school.

Pupils, parents and carers will be made aware of this during induction to the school.

Confiscated phones will be stored in a secure locked cabinet by a member of the senior leadership team.

Lost phones should be returned to main reception. The school will then attempt to contact the owner.

7. Monitoring and review

The school is committed to ensuring that this policy has a positive impact of pupils' education, behaviour and welfare. When reviewing the policy, the school will take into account:

- Feedback from parents/carers and pupils
- Feedback from teachers
- Records of behaviour and safeguarding incidents
- Relevant advice from the Department for Education, the local authority or other relevant organisations.

8. Appendix 1: Acceptable use agreement for pupils

You must obey the following rules if you bring your mobile phone to school:

1. You may not use your mobile phone during lessons.

4. You cannot take photos or recordings (either video or audio) of school staff or other pupils without their consent.
5. Avoid sharing your contact details with people you don't know, and don't share other people's contact details without their consent.

9. Rules on bullying, harassment, and intimidation apply to how you use your mobile phone even when you aren't in school.

11. Don't use your phone to view or share pornography or other harmful content.
12. You must comply with a request by a member of staff to switch off, or hand over, a phone. Refusal to comply is a breach of the school's behaviour policy and will be dealt with accordingly.
13. Mobile phones are not permitted in any internal or external exam or test environment. If you have a mobile phone, you will be asked to store these appropriately, or turn them over to an exam invigilator, before entering the test room. Bringing a phone into the test room can result in your exam being declared invalid.
