

Park School Teaching Service

Newsletter- Autumn 2023

WHAT'S NEW?

This term students visited The Knife Angel sculpture which is on display in Bolton Town Centre. As part of the trip students watched a theatre production and took part in a workshop about the dangers of knife crime and severity of the issue. The sculpture was amazing and we are so glad we had the opportunity to see it!

If you'd like more information about the sculpture please visit:
www.britishironworkcentre.co.uk

This term, during our PE lessons, students will be using the facilities at our local David Lloyd gym. This enables all students to participate in different activities and try out new equipment too!

If your child is going to be absent from school please ensure you contact the office on: 01204 937115 or alternately email either the form tutor or Miss Beattie. Thank you
