This policy is reviewed and updated annually to ensure that candidates leaving the examination room at Park School Teaching Service is managed in accordance with current requirements and regulations and reflects centre practice.

References in this policy to ICE refer to the JCQ document **Instructions for conducting examinations**.

Purpose of the policy

The purpose of this policy is to confirm that candidates leaving the examination room at Park School Teaching Service is managed in line with JCQ regulations.

This policy confirms:

- the correct procedures are followed in relation to candidates leaving the examination room
- Park School Teaching Service reserves the right to exercise discretion whether to allow extra time to compensate candidates for their temporary absence from the examination room

1. Arrangements for leaving the examination room

- For examinations that last one hour or more, candidates must stay under centre supervision until 10.00am for a morning examination or 2.30pm for an afternoon examination, i.e. one hour after the awarding body's published starting time for that examination (ICE 23.1)
- For examinations that last less than one hour, candidates must be supervised until the awarding body's published finishing time for that examination

  In all cases regardless of the duration of the examination, question papers must be kept in the secure room until 24 hours after the awarding body's published finishing time for that examination (ICE 23.2)
- Candidates who are allowed to leave the examination room temporarily must be accompanied by a member of centre staff. This must not be the candidate's subject teacher or a subject expert for the examination in question (ICE 23.3)

  Candidates may be allowed extra time at the discretion of the centre to compensate for their temporary absence (ICE 23.5)
- Candidates can only leave the examination room where necessary or where supervised rest breaks have been granted by the SENCo. The centre must ensure that candidates who leave the room do not have access to any unauthorised materials (ICE 23.4)
- Candidates who have finished the examination and have been allowed to leave the examination room early must hand in their script, question paper and any other material before they leave the examination room. Those candidates must not be allowed back into the room (ICE 23.6)
- At the end of the examination, candidates must hand in their script, question paper and any other material before they leave the examination room (ICE 23.7)

The following arrangements are applied at Park School Teaching Service:

- Candidates who are allowed to leave the examination room temporarily may be allowed extra time to compensate for their temporary absence (ICE 23.5)

Supervised rest breaks will be awarded on account of:

• social, emotional and mental health needs.

• cognition and learning needs,

• communication and interaction needs

• a medical condition

• sensory and physical needs
