The purpose of this policy is to confirm that candidates leaving the examination room at Youth Challenge is managed in line with JCQ regulations.

This policy confirms:

- the correct procedures are followed in relation to candidates leaving the examination room
- Youth Challenge reserves the right to exercise discretion whether to allow extra time to compensate candidates for their temporary absence from the examination room

1. Arrangements for leaving the examination room

- For examinations that last one hour or more, candidates must stay under centre supervision until 10.00am for a morning examination or 2.30pm for an afternoon examination, i.e. one hour after the awarding body's published starting time for that examination (ICE 23.1)
- For examinations that last less than one hour, candidates must be supervised and question papers must be kept in secure storage until the published finishing time of the examination (ICE 23.2)
- Candidates who are allowed to leave the examination room temporarily must be accompanied by a member of centre staff. This must not be the candidate's subject teacher or a subject expert for the examination in question. (ICE 23.3)

  Candidates may be allowed extra time at the discretion of the centre to compensate for their temporary absence. (ICE 23.5)
- Candidates can only leave the examination room where necessary or where supervised rest breaks have been granted by the SENCo. The centre must ensure that candidates who leave the room do not have access to any unauthorised materials. (ICE 23.4)
- Candidates who have finished the examination and have been allowed to leave the examination room early must hand in their script, question paper and any other material before they leave the examination room. Those candidates must not be allowed back into the room (ICE 23.6)
- At the end of the examination, candidates must hand in their script, question paper and any other material before they leave the examination room (ICE 23.7)

The following arrangements are applied at Youth Challenge:
