This policy is reviewed and updated annually to ensure that candidate behaviour in the examination room at Youth Challenge is managed in accordance with current requirements and regulations.

References in this policy to GR, ICE and SMPP refer to the JCQ documents **General Regulations for Approved**

Centres, **Instructions for conducting examinations** and **Suspected Malpractice: Policies and Procedures**.

Purpose of the policy

The purpose of this policy is to confirm that candidate behaviour in the examination room at Youth Challenge is managed in line with JCQ regulations.

1. Briefing candidates

To ensure candidates are aware of the standard of behaviour that is required in the examination room, Youth Challenge will:

- ensure the JCQ **Information for candidates documents** (coursework, non- examination assessments, on screen tests, social media and written examinations) and awarding body privacy notices are distributed to all candidates whether electronically or in hard copy format **prior** to assessments and/or examinations taking place. (GR 5.8)
- ensure candidates are also made aware of the content of the JCQ **Unauthorised items** and **Warning to candidates** posters (GR 5.8)
- prior to assessments and/or examinations taking place, ensure candidates are briefed to reinforce what they must and must not do when sitting written examinations and/or on-screen tests, and when producing coursework and/or non-examination assessments (GR 5.8)

At Youth Challenge candidates are made aware of JCQ information/briefed by:

- A briefing session lead by the subject lead and the exams officer takes place at the start of every internal/external examination. The briefing session would also reinforce what candidates must and must not do when sitting written examinations and when producing coursework and/or non-examination assessments.

2. Candidate malpractice

- ‘Malpractice’, means any act, default or practice which is a breach of the Regulations (SMPP 1.2)

- Suspected malpractice means all alleged or suspected incidents of malpractice (SMPP 2)

- ‘Candidate malpractice’ normally involves malpractice by a candidate in connection with any examination or assessment, including the preparation and authentication of any controlled assessments, coursework or non-examination assessments, the presentation of any practical work, the compilation of portfolios of assessment evidence and the completion of any examination (SMPP 2)
- Inappropriate behaviour by a candidate in the examination room or assessment session is deemed 'candidate malpractice'
- Failure by a centre to notify, investigate and report to an awarding body all allegations of malpractice or suspected malpractice constitutes malpractice in itself (SMPP 1.7)

Examples of inappropriate behaviour/actions that constitute 'candidate malpractice' are provided in the final section of this policy.

3. Instructions for conducting examinations - Malpractice in the examination room

The following requirements are applied at Youth Challenge:

- Candidates are under formal examination conditions from the moment they enter the room in which they will be taking their examination(s) until the point at which they are permitted to leave

  Candidates must not open the question paper until the examination begins. If they do, this must be reported to the relevant awarding body (ICE 19.1)

- Where a candidate is being disruptive, the invigilator must warn the candidate that they may be removed from the examination room. The candidate must also be warned that the awarding body will be informed and may decide to penalise them, which could include disqualification (ICE 24.1)

- The head of centre, or authorised members of staff, have the authority to remove a candidate from the examination room but should only do so if the candidate would disrupt others by remaining in the room (ICE 24.1)
