What defines special consideration?

Special consideration can only be awarded where a candidate has been fully prepared for assessments and covered the entire course but their ability to demonstrate their subject knowledge and understanding is materially affected by adverse circumstances beyond their control at the time of the assessment(s).

A centre must decide whether the candidate meets the published criteria for special consideration. An awarding body cannot determine the candidate's eligibility and make the decision for the centre.

Applications must only be processed where they are supported by the centre and the candidate meets the published criteria for special consideration with evidence in place.

If the centre does not support an online application for special consideration, then it must not be submitted to the relevant awarding body or bodies. Speculative applications for special consideration cannot be accepted.

Where a candidate does not meet the published criteria for special consideration, the awarding body will reject the application and provide clear reasons for doing so.

Centres must not submit applications for special consideration for trivial cases.

Special consideration can only go some way to assist a candidate affected by a potentially wide range of difficulties, emotional or physical, which may influence performance in their assessments. It cannot remove the difficulty faced by the candidate. This means that there will be some situations where candidates should not be entered for a qualification or a unitised examination. This is because only minor adjustments can be made to the mark awarded. To make larger adjustments would jeopardize the standard of the qualification. (JCQ's **A guide to the special consideration process**, 1)

This document is further referred to in this policy as SC

Purpose of the policy

The purpose of this policy is to identify roles and responsibilities in the special consideration process and confirms that Youth Challenge Academy will… submit any applications for special consideration where candidates meet the published criteria. (JCQ's General Regulations for Approved Centres, section 5.9)

Eligibility for special consideration

Roles and responsibilities

Head of centre

- Is familiar with the contents, refers to and directs relevant centre staff to the annually updated JCQ document *A guide to the special consideration process*
- Ensures that, where relevant and in eligible situations, applications for special consideration will be submitted to awarding bodies by the exams manager/officer

Exams manager/officer

- Understands the criteria as detailed in *A guide to the special consideration process* to determine where candidates will/will not be eligible for special consideration
- Ensures that, where relevant and in eligible situations, applications for special consideration will be submitted to awarding bodies

Teaching staff and/or SENCo (or equivalent role)

- Provide any appropriate evidence or information that may be required to determine a candidate's eligibility for special consideration

Candidates (or parents/carers)

- Provide any medical or other evidence that may be required to determine eligibility for special consideration

- Applying for special consideration
- Where eligible, special consideration will be applied for at the time of the assessment where candidates have been fully prepared and have covered the whole course but performance in the examination, or in the production of coursework or non-examination assessment, is materially affected by adverse circumstances beyond their control. (SC 2)
- For candidates who are present for the assessment but disadvantaged Youth Challenge must be satisfied that there has been a material detrimental effect on candidate examination performance or in the production of coursework or non-examination assessment. (SC 3)

Applying for special consideration

Where eligible, special consideration will be applied for at the time of the assessment where candidates… have been fully prepared and have covered the whole course but performance in the examination, or in the production of coursework or non-examination assessment, is materially affected by adverse circumstances beyond their control. (SC, section 2)

For candidates who are present for the assessment but disadvantaged, Youth Challenge Academy must be satisfied that there has been a material detrimental effect on candidate examination performance or in the production of coursework or non-examination assessment. (SC, section 3)

1. Where a candidate may arrive for an exam and is clearly unwell, extremely distressed and/or may have sustained an injury that requires emergency access arrangements to be put in place:
   - the candidate will be kept comfortable and under centre supervision from the required time while appropriate arrangements are put in place for the candidate to take the exam in the best possible conditions
   - a judgement will be made on how the candidate's situation or disposition affected performance in the exam
   - where appropriate and where eligible, special consideration will be applied for

2. Where candidates may be affected by a major disturbance in the exam room (emergency evacuation, etc.), an online application for special consideration will be submitted to the relevant awarding body where candidates have been disadvantaged.

3. Where a candidate takes multiple exams (three or more exams) timetabled for the same day and the total duration for those papers is more than 6 hours (GCE and Level 3 exams) or more than 5 hours 30 minutes (GCSE, Level 1 and Level 2 exams) including any approved extra time but not any time taken for supervised rest breaks, special consideration for an allowance on the last paper taken will be applied for.

4. Where a candidate may be affected a minor disturbance in the exam room caused by another candidate (momentary bad behaviour, mobile phone ringing etc.), special consideration cannot be applied for.

If a candidate is absent from a timetabled component/unit for acceptable reasons, and the centre is prepared to support an application for special consideration, special consideration will be applied for if the exam missed is in the terminal series and the minimum requirements for enhanced grading in cases of acceptable absence can be met. For unitised examinations taken in an examination series prior to certification, candidates must be re-entered for any missed units at the next assessment opportunity. Unless there are difficulties arising, e.g. group performances which cannot be repeated, special consideration will not be awarded. ((SC, section 4)

Where other issues or problems affect a candidate or a group of candidates, special consideration will be explored in SC 5 and applied for where eligible. This might include, for example:

- other certification
- coursework/non-examination assessment extensions
- shortfall in work (coursework/non-examination assessment)
- lost or damaged work (non-examination assessment components)
- candidates taking an incorrect or defective question paper
- candidates taking the wrong controlled assessment or non-examination assessment assignment

Where a candidate may be eligible for special consideration (a post assessment adjustment) in a vocational qualification, the centre will follow SC 7 and awarding body guidance to determine if, when and how an adjustment can be applied for.

Processing applications for special consideration

Roles and responsibilities

Head of centre

- Ensures that all eligible applications will be supported by appropriate evidence signed by a member of the senior leadership team

Senior leadership team

- Sign appropriate evidence to support all eligible applications

Exams officer

- Understands that special consideration must be applied for at the time of the assessment
- Understands that special consideration cannot be applied in a cumulative fashion and that where a candidate may be affected by different indispositions, special consideration should only be applied for the most serious indisposition
- Ensures applications will be processed as required by the awarding bodies
- Keeps evidence to support all applications on file until after the publication of results and provides the appropriate evidence signed by a member of the senior leadership team to support an application where this may be requested by an awarding body
- Meets the required deadline(s) for submitting applications

Teaching staff and/or ALS lead/SENCo

- Provide any appropriate evidence or information that may be required to support a candidate's application for special consideration

Candidates (or parents/carers)

- Will be asked to provide any medical or other evidence that may be required to support an application for special consideration
- Will be informed that all cases must be dealt with by the centre

Submitting applications for special consideration

Where a candidate or group of candidates is/are eligible for special consideration, applications will be submitted to the relevant awarding body following the published processes in *A guide to the special consideration process*.

In cases of online applications for special consideration, the candidate/candidates will be informed when an application for special consideration is submitted to the awarding body (to ensure compliance with the UK GDPR/Data Protection Act 2018).

Evidence to support all applications will be retained on file until after the publication of results.

Timetabled written exams

Applications for individual candidates will be submitted online (where the awarding body's secure system accepts these) by logging into the relevant awarding body secure extranet site and following the links to special consideration

The processes for submitting a single application to cover all exams affected where a candidate is present but disadvantaged and a separate application for each day on which exams are missed where a candidate is absent from an examination for an acceptable reason, detailed in SC 6 will be followed

Form 14 **Self certification form** (Self certification for candidates who have missed an examination) will only be completed by a candidate/parent/carer where circumstances warrant this and will not be used where the centre knows the candidate was ill

Internally assessed work

Where appropriate, applications will be made online where the awarding body's secure system accepts them or Form 10 **Application for special consideration** will be completed and submitted to the awarding body

Where an application relates to a shortfall in work for an individual candidate, this will be submitted by completing form 10, attached to a breakdown of marks across the assessment objectives

Private candidates

Any private candidate entered by the centre must liaise with the exams manger/officer (not the awarding body) regarding any application for special consideration

Applications post-publication of results

If, after the publication of results for a particular exam series, a claim is made that special consideration was not applied for at the time of an assessment where a candidate was eligible, the claimant will be informed that late applications will only be accepted by an awarding body in the most exceptional circumstances and where a member of the senior leadership team is able to produce compelling evidence to support a late application

The application must be submitted before the deadline for reviews of results for the respective exam series.
