Trust Introduction

As a responsible employer, the Bolton Impact Trust (BIT) considers that the health, safety and welfare of all its employees, contractors, students, and others working, visiting and studying on its premises and outside those premises on associated activities to be of utmost importance. We develop our processes and procedures by following the Health & Safety at Work etc. Act 1974, associated Regulations and relevant Approved Codes of Practice.

This policy sets out the Trust's commitment to Health and Safety (H&S) via a Statement of Intent. This will be signed and dated by the CEO and made available to all staff and Trustees. An academy version is included within this policy, along with

Each Academy will:

- sign off its own Statement of Intent
- endorse and adopt the organisation responsibilities
- complete and adapt the Trust's Arrangements document demonstrating how Health and Safety is managed across their site

The full policy is shared with all staff and governors on induction and periodically by the Academy Lead across the academic year.

This policy is updated annually to take into account legislation changes and RPA best practice.

Trust Statement of Intent

BIT believes that ensuring the health and safety of staff, contractors and visitors is essential to the success of the Trust.

The Trust and our Academies are committed to:

- Reducing accidents and work related ill health as far as reasonably practicable.
- Ensuring compliance with statutory requirements as a minimum standard.
- Assessing and controlling risks from work activities on and off the premises.
- Providing a safe, healthy and secure working and learning environment for staff, pupils, visitors and contractors.
- Ensuring safe working methods and providing and maintaining safe work equipment.
- Providing appropriate H&S information, instruction, supervision and training.
- Consulting with employees on health and safety matters.
- Monitoring and reviewing our risk assessments and control measures to ensure that they are effective.
- Setting H&S KPIs to develop a culture of continuous improvement
- Ensuring adequate welfare facilities on site.
- Ensuring adequate resources are made available for effective H&S management.
- Learning from our own health and safety experiences and sharing learning opportunities with others. Implementing additional control measures where appropriate.
- Selecting and engaging competent contractors who will work safely.
- Providing adequate first aid cover and occupational health support.
- Keeping the H&S of pupils to the highest standards.

As the CEO, I am committed to integrating H&S into decision making and risk management processes within the Trust. BIT Trustees will support me in this role and, together with the Central Services Team and Academy Senior Leadership teams, we will ensure the effective leadership of health and safety for the Academies and others affected by the Trust's activities.

Paul Hodgkinson CEO

Date 9th October 2024

Academy Statement of Intent

The Academy Lead and Governing Body of Youth Challenge recognises their responsibilities under the Health and Safety at Work Act. We understand and want to ensure that our Academy is as safe as possible for all those who come onto our site; our staff, pupils, visitors and contractors.

We endorse and will follow the Trusts Statement of intent, in doing so the Academy Lead and governors are committed to:

- Reducing accidents and work related ill health as far as reasonably practicable.
- Ensuring compliance with statutory requirements as a minimum standard.
- Assessing and controlling risks from work activities on and off the premises.
- Providing a safe, healthy and secure working and learning environment for staff, students, visitors +and contractors.
- Ensuring safe working methods and providing and maintaining safe work equipment.
- Providing appropriate H&S information, instruction, supervision and training.
- Consulting with employees on H&S matters.
- Monitoring and reviewing our risk assessments and control measures to ensure that they
 are effective.
- Setting targets and objectives to develop a culture of continuous improvement
- Ensuring adequate welfare facilities exist for all.
- Ensuring adequate resources are made available for effective H&S management.
- Learning from our own H&S experiences and sharing learning opportunities with others, and implementing control measures where appropriate.
- Selecting and engaging competent contractors who will work safely.
- Providing adequate first aid cover and occupational health support.
- Keeping the H&S of pupils to the highest standards

All employees must follow instructions to ensure the maintenance of high standards of H&S in all academy activities. This policy includes a description of the establishment's organisation and its arrangements for dealing with different areas of risk. Details of how these areas of risk will be managed are set out in the Arrangements section.

Vg Jutton

Viki Sutton Academy Lead

Date 9th October 2024

1 Le.

Mark Hilton Chair of Governors

Date 9th October 2024

Organisation for Health & Safety Management

BIT Trustees will:

- Ensure the Trust has in place appropriate arrangements for managing H&S
- Approve high level H&S policies
- Agree Academy H&S KPIs
- Receive and discuss annual reports on Academy H&S performance
- Receive reports regarding high level accidents and incidents and investigations

The Trustees delegate day to day, operational responsibility for H&S to the CEO and the CFO and performance is overseen by the Trust Finance and Resources Committee.

The Trust Executive team will:

- Ensure the adequate funding is provided to enable the Academy and the Trust to be organised and run in a safe and healthy manner.
- Where funding for particular hazards is the responsibility of another party (eg the landlord etc), the Trust, will support the Academy to ensure the problem is highlighted and assessed and managed
- Address any H&S concerns raised to them via the Academy Lead, site staff or parents as required.
- Ensure the Trust H&S Policy is brought to the attention of all staff.
- Appoint a competent person as the Trust's H&S Practitioner to provide advice and support on H&S matters.
- Ensure a system is implemented to manage safety and ensure compliance across all sites.
- Ensure there is a programme of H&S audit/monitoring in each Academy
- Ensure appropriate insurance arrangements are in place.
- Ensure appropriate policies and guidance are in place at Trust level and cascaded to all Academies.
- Ensure H&S is a regular part of the agenda at senior leadership team meetings.
- Ensure all Academies have a H&S committee in place.
- Consult regularly with staff and other relevant persons on matters of H&S.
- Ensure appropriate external H&S inspections, fire risk assessments, Tree audits, Glazing inspections etc. and other Trust wide statutory compliance activities take place

The Trust H&S lead will:

- Ensure the Trust and Academies all have a H&S policy in place, which is ratified and shared with staff.
- Ensure there are suitable and sufficient risk assessments in place for work activities.
- Ratify the Trusts H&S KPIs
- Receive reports on H&S from the Academy including performance against KPIs and reports on accidents or incidents and investigations.
- Receive reports on inspections and resulting actions.
- Ensure a positive H&S culture is established and maintained across each Academy.
- Seek to develop shared good practice across the Trust. This may be via a H&S forum or other meetings

The Academy Lead (with support from the SLT) will:

• Produce for approval and adoption a local H&S policy and procedure for the Academy.

- Ensure this is communicated along with the Trust's H&S Policy and other policies and procedures to all staff.
- Ensure staff understand their H&S responsibilities under the policy and procedure and appropriate training is put in place to support that.
- Ensure adequate accident and incident reporting processes are in place and appropriate investigations take place.
- Ensure findings from investigations are implemented.
- Ensure appropriate defect and maintenance reporting processes are in place.
- Ensure risk assessments are in place for significant risks across site.
- Ensure all statutory compliance work is undertaken for the Academy and servicing and maintenance is completed in a timely manner.
- Undertake regular site inspections with the Office Supervisor to ensure it is safe and secure.
- Raise with the Trust any serious issues and seek support where appropriate for advice and guidance on H&S matters.
- Ensure appropriate procedures are in place to ensure visitors, volunteers including work placements and contractors are aware of, and abide by, the H&S policy and procedures.
- Ensure the School has a trained Educational Visits Co Ordinator (EVC)
- Ensure leads in high-risk areas develop their own policy and procedures to manage safety in their area of responsibility.
- Delegate appropriate tasks to the Office Supervisor, the site supervisor/caretaker and engage suitable contractors where appropriate.
- Ensure sufficient first aid cover is in place and a first aid risk assessment completed.

The Office Supervisors will:

- Support the academy lead in all onsite H&S matters. Acting as the schools H&S Co-Ordinator alongside the Site manager/Caretaker.
- Investigate accident / incidents, escalate possible RIDDORs to the Trust and identify trends.
- Ensure policies and procedures are in place.
- Endure staff H&S inductions are completed.
- Ensure the H&S law poster is displayed with up-to-date information.
- Complete reviews on checks completed by the site manager/caretaker.
- Ensure first aid equipment is stocked and AEDs working correctly.
- Liaise with the schools H&S Practitioner.
- Ensure risk assessments are accurate, suitable and reviewed annually.
- Deal with any hazardous practices, equipment or building issues and report to the academy lead if they remain unresolved.
- Provide a good example, guidance and support to staff on H&S issues.
- Carry out a H&S induction for all staff and keep records of that induction.
- Ensure any contractors on site are competent in H&S matters.
- Coordinate training for school staff.

Site Supervisors/Caretakers will:

- Ensure the site is safe and secure at all times.
- Ensure there are safe means of access and egress and these are clear of obstructions at all times.

- Ensure contractors see and sign for the asbestos register before undertaking work.
- Ensure the Academy is free of slip/trip hazards and adequate welfare facilities are provided.
- Ensure they operate safe working arrangements when undertaking maintenance tasks.
- Monitor contractors whilst on site and ensure they are working safely.
- Ensure adequate fire safety arrangements are implemented.
- Ensure regular testing and maintenance of fire equipment, doors, alarms, emergency lighting is undertaken and recorded.
- Ensure statutory compliance and is recorded including asbestos management and legionella testing amongst others.
- Take responsibility for acting on reports of defects and maintenance escalating any action that cannot be completed to the Office Supervisor/Academy Lead.
- Conduct regular site inspections both daily/weekly alone and termly with the Academy Lead or relevant senior leader to identify, record and act upon any issues needing attention.
- Ensure COSHH procedures are followed at all times and stored appropriately
- Keep records of checks completed and action taken ready for review by the Office Supervisor, Academy Lead or Academy H&S Practitioner
- Take part in relevant training and development.

Area leads are responsible for implementing the H&S policy within the work activities/area under their control.

In particular they will:

- Develop H&S guidelines for high-risk areas (they may wish to use templates provided by CLEAPSS or AFpE for example)
- Ensure their guidelines, risk assessments and procedures are shared with all those in their department who could be harmed by the equipment, substances, or activities.
- Ensure activities under their control are carried out, so far as is reasonably practicable, safely and without risk to health.
- Ensure any staff they line manage have completed a H&S induction and a department induction.
- Ensure any curriculum specific H&S training is completed by staff and that staff are adequately instructed and supervised.
- Ensure that all equipment is maintained and safe for use.
- Complete termly inspections of their work area to ensure it is fit for purpose and free of hazards.
- Ensure any hazards relating to their work area are communicated to the Office Supervisor and Academy Lead.
- Ensure first aid equipment near their work area covers any department risks.
- Ensure accidents in their area of responsibility are reported and investigated. If needed escalated to the Trust to RIDDOR report.

Teachers and Learning Mentors will:

Be responsible for the safety of pupils in classrooms, laboratories, workshops and learning activities including sports, trips and co-curricular. In particular they are responsible for:

- Knowing the emergency procedures in respect of fire and first aid and the special safety measures to be adopted in their own teaching areas and to ensure that they are applied.
- Exercising effective supervision of students and ensuring students are aware of the general emergency procedures in respect of fire and first aid and the special safety measures of the teaching area.
- Giving clear instructions and warnings.
- Ensuring that coats, bags, cases etc. are safely stowed away, that fire escape routes are kept clear at all times and not obstructed, and that fire doors are not held open.
- Following safe working procedures personally.
- Always using appropriate protective clothing and guards and special safe working procedures when appropriate or required.
- Ensuring that all accidents/incidents (including 'near-misses') occurring in the class and/or during an activity are recorded and investigated.

All other academy staff

It is the responsibility of all employees and volunteers to

- Take reasonable care of their own H&S and that of all persons who could be affected by their acts or omissions at work.
- Ensure they follow risk assessments and procedures relevant to their role.
- Co-operate with line managers so far as it is necessary to enable them to work safely.
- Use work equipment provided correctly in accordance with instructions and training.
- Inform their line managers of any matters that could pose a H&S risk.
- Report any accidents/incidents (including a 'near-miss') which occurs at work.

Pupils will:

- Follow safety and hygiene rules intended to protect the H&S of themselves and others.
- Follow safety instructions of teaching and support staff, especially in an emergency.
- Reporting any H&S hazards they notice to a member of staff as soon as possible.

	staff who have additional responsibilities for the			
health and safety of themselves, staff, students and others on site. In this academy;				
The senior member of staff with day-to-day accountability and responsibility for all health and safety	Victoria Sutton, Academy Lead			
The person who leads on health and safety matters in this school is:	Ruth Jackson, Office Supervisor			
The persons (in high-risk school departments, curriculum areas) who are responsible for	Science: Matthew Carrington			
their Departments H&S policy or procedure is:	Food Tech: Kim Robinson			
	Art: Kim Robinson			
	PE: Chris Lawton			
	Vocational: Kelly Shacklady Jill Penfold			
The Governor appointed for health and safety is:	Tony Rowan			
In this academy we consult with staff, regarding health and safety regularly by:	Staff Briefings & Emails			
2. The Trust works with academies to develop and communicate risk assessments for the significant risks on site. Staff undertaking risk assessments will have appropriate training. The risk assessment template includes guidance on scoring of risks, what tolerable risks are. A central database is held and will be reviewed regularly with the Competent H&S person to track additional controls. Risk assessments will consider the premises, our activities, the equipment we use and people at risk. In this academy we ensure all our <u>significant hazards</u> are risk assessed by staff in charge of those areas.				
The person with overall responsibility for ensuring risk assessments are carried out is:	Academy Lead / Compliance H&S			
All staff that complete risk assessments can have additional training and support from our Competent H&S Practitioner. They should contact the Office Supervisor in the first instance so they can make arrangements.	Compliance Education			
2a On a day to day basis the persons responsib assessments is:	le for completion of and sharing of their risk

safety performance is:	safety performance is:	

The person in control of contractors whilst on	Trust Site Manager/Office Supervisor			
site is:				
18 Noise at work				
Any employee concerned about the noise	Academy Lead			
levels at work should report the matter to:				
19 Slip trip or fall hazards - spills or contamination				
All members of staff are responsible for	Office Supervisor			
arranging to clear up spillages, which occur				
whilst they are in charge of the area				
concerned. Other spillages, leaks or wet				
floors should be reported to:				
who will arrange for them to be dealt with.				
The area must be made safe using a sign				
before it is left.				
Other slip, trip or fall hazards should be	Office Supervisor			
reported to:				
20. Display Screen Equipment. The Trust provid	les a template that schools can use to complete			
DSE self assessments				
The person who will provide staff, who use	Office Supervisor			
computers for the majority of their working				
day with an advice form/self assessment is:				
(The form must be returned to them, if needed they will				
arrange a DSE assessment or support for staff)				
21. Miscellaneous				
The Health and Safety Law Poster is sited:	All Kitchen Areas & Jobskills			
22. Other H&S topics relevant to this academy.				
	ividual academies may have risks relevant to that			
site only. These should be added here. This co	uld include Lettings management, Pool safety etc
