* Progress data – information from DfE:

For academic years 2023/24 and 2024/25 KS1-KS2 progress scores have not been calculated. This is because there was no KS1 baseline available to calculate primary progress measures for these years due to Covid-19 disruption. We are also unable to show results broken down by prior attainment. For academic years 2025/26 there will be average progress scores, but they are not available until December 2026.
