

Boughton Primary School
Governor Framework 2022/23

This document sets out the key areas that the board of governors at Boughton Primary school will be focusing on for the 2022/23 academic year.

This document assumes that all governors will carry out the fiduciary duties as part of their roles alongside the framework.

1. Improve the school infrastructure

Support the school is sourcing and implementing cost effective maintenance and refurbishment of its buildings
Create a priority list and financial capacity to complete agreed refurbishments
Engage the school community in the refurbishment project
Work with local businesses and the community to improve school facilities and standing

2. Prepare for excellence

Support and challenge the leadership team to create a sustainable, high-quality curriculum
Provide challenge through audit and observation practices to the wider teams
Ensure resources are in place to allow for excellence in the classroom
Improve communication links between the board, the BSA and the school community
Take an active role in student voice surveys

3. Staff wellbeing and staff engagement

Provide a regular space for staff voice
Ensure staffing ratios allow for development and planning time for all staff
Lead on the staff voice survey
Hold the leadership team to account regarding staff wellbeing levels, turnover and absence rates

4. Student recruitment

Source, design and develop a new website and school app function
Develop and support a three point marketing action plan
Support the leadership team in developing strategic partnerships with local nurseries and pre schools
Support and promote events held by the school
Create a governor link between the board and the BSA to improve collaboration
