## Traffic Proposals

Parents may be aware of a consultation which is currently ongoing in respect of proposals for traffic amelioration in Boughton village.

The school is mindful of the impact these proposals, particularly one option to close Moulton Lane (thus preventing access to the village from Moulton) could have on both staff and parents' journeys to and from school. We have engaged with Boughton Parish Council and have made representations to them accordingly.

If you wish to participate in the consultation you can find further detail here <https://westnorthants.citizenspace.com/highways/highway-improvements/> The consultation remains open until 8th July.

## Character Strengths

This week's character strength was Humility please ask your child all about it. Next weeks character strength is Creativity.

## Sun Cream/Hats

Please ensure the children have sunscreen applied in the morning before school, even on cloudy days, as the weather can change so quickly and we are outside at various times of the day.

Teachers are unable to apply sun cream to children so we ask that parents do as thorough a job as they can before school.

If children need to reapply, please provide something easy for them to use, such as a roll on sun cream. This MUST be labelled with your child's name and cannot be shared with other children.

Please also ensure your child has a named hat and water bottle in school.
