## BSA News/Messages

We are reaching out to our wonderful community of parents, families and local businesses to kindly ask for donations in support of the Boughton School Association (Parent Teacher Association). We are currently organising school raffles to help raise valuable funds that directly benefit our children's learning environment and school experiences. We would be incredibly grateful for any contribution, big or small — such as gift vouchers, products, services, experiences, unopened gifts, bottles, confectionery, or similar items — all of which will help make our raffles a success. Your generosity will not only support the school but also showcase your commitment to the local community.

Please kindly hand any donations to the school office by Friday, 8th May. Thank you for helping us make a positive difference.
