

Starting School

In September, I will be starting at my new school.

I may feel a little nervous about my first day
but that's OK because there are lots of people to help me.

My new school is called Boughton Primary School.

This is my new teacher.
Her name is Miss Parker.

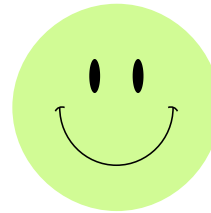

I will have lots of fun at school.

In the morning, I will say goodbye to my grown up.
I may feel a little bit sad but I will give them a big cuddle
and I know I will see them after my exciting school day.

These are the gates I will go through to start my day at school.
I will be greeted by a friendly face in the morning.

We will walk together through the playground to the Reception classroom
where I will see all of my new friends.

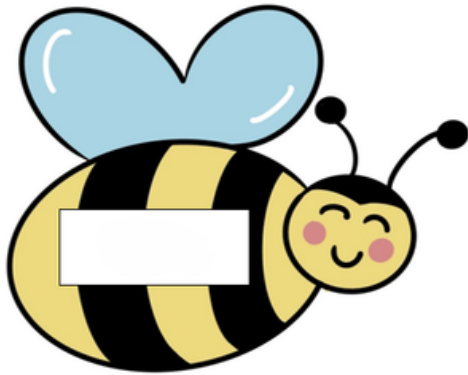

This is my new classroom.
I am in Reception and I have lots of new friends to play with..

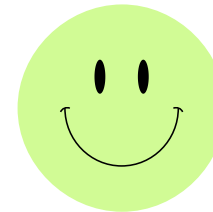

This is the Reception outdoor area where I have lots of fun things to explore.

In the morning, I will find my bumblebee name with an adult.
I will then put my coat and my bag on my peg.

An adult will always be there to help me.

I will learn and play in my classroom.
I have lots of fun activities to choose from.

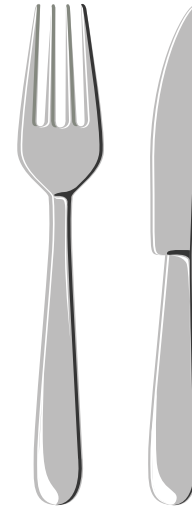

These are the toilets that the children in Reception and Year 1 can use.
I can wash my hands, with soap and water, before I have my lunch.

This is the hall.

This is where I will have my lunch everyday with my friends.

This is the playground and the field.
I can play with my friends here when it is break time and lunch time.

At the end of the school day, I will say goodbye to my teachers and my friends.
Then my grown up will pick me up from the playground to take me home again.
