Spanish

Year 4 – Speaking Spanish World

In Year 4 we are learning about the 21 countries where Spanish is spoken. The children are learning to locate the countries on the map and some interesting facts about each of them, main landmarks and some traditions.

Alex told us about his recent trip to Madrid where he was very lucky to attend to a "Flamenco" show and he shared some lovely photos with us. Tiago, whose mother is from Peru, helped me to teach the lesson about this amazing country and he shared with us some photos of the Inca city of Machu Picchu and his visit to the Inca Museum.

They showed lots of our school values: independence, curiosity, resilience..., and all the children really enjoyed listening to them. ¡Gracias Alex and Tiago!

In FAA, we spoke about how The Little Red Hen made her bread. After looking up all the different ingredients we needed, we all had a go at making our own!

Well Done Elan and Ben!

Two of year 6 boys represented Buckinghamshire in U11 South East Regional Athletics Final held in Brighton.

There were 7 Regional teams each containing 12 boys and 12 girls representing their Region circa 168 children. Ben H and Elan L were part of the Buckinghamshire boys cohort. The boys had to partake in about 4 or 5 team or individual track and field events.

This is the first time both boys have participated in such an event and they handled themselves brilliantly. We are really proud to say that Buckinghamshire boys came 3rd out of the 7 boys teams and they came away with medals. This is a fantastic achievement for all of them.

Holiday Club at Bourton Meadow

Hi, this year we will be running our Easter Half Term Holiday Club over both weeks.

We will be open Week 1 from 3rd-6th April and Week 2 from 11th-14th April.

We offer two booking options - one from 8 am-6 pm and another from 9 am- 3 pm. However we are extremely flexible with the drop-off and collection times, so it offers you the freedom to plan your days/weeks to best suit you.

ACTIVITIES AND TIMETABLE

For up-to-date information about all the awesome activities that we have planned, take a look at our website.

FOREST SCHOOL DAY

For the first time, we will be running a Forest School Day! The day will be run by our Level 3 Forest School specialist from 9am-3pm on Monday 3rd of April. On this day your child can expect to do the following activities with our Forest School Instructors:

Campfire cook out, Lifeskills, Den Building, Shelter Building, Fire Masterclass, Marshmallow roasting and Whittling crafts

This will be a separate club from our usual Holiday Club, so it will require a separate booking. You can find further information and book your child onto our club here-

<https://s4asports.co.uk/product/bourton-meadow-forest-school-holiday-club-day-3rd-april-2023/>

There are only 5 spaces left, so we highly recommend booking quickly to avoid any disappointment.

HAF PROGRAMME

We are running our HAF programme in line with Buckinghamshire County Council this Easter for anyone aged 5-13.

As part of the HAF programme, your child can attend the holiday club for FREE from 9 am-3 pm each day.

The HAF programme spaces are integrated within our standard holiday club spaces and there is no difference whatsoever in what's included. Inclusivity is a priority for us and we want every child to be able to experience the fun and care of our holiday clubs, regardless of background or abilities.

To be eligible for this programme, your child must be entitled to benefit-related free school meals. Each eligible child will receive a unique booking number from their school, this will need to be quoted at checkout in the notes section to confirm your booking.
