

# Statement of Intent for PE

**Experience Success** ↔ **Build Aspiration**

*“Until you spread your wings, you’ll have no idea how far you can fly”*

*Respect • Resilience • Responsibility • Compassion • Curiosity • Trust*

At Bowerhill Primary School our **INTENT** is to enable ALL children to **EXPERIENCE SUCCESS** through **BUILDING ASPIRATION** within them. Equally as important, to **BUILD ASPIRATION** through the **SUCCESS** they **EXPERIENCE**... we want all children to experience just how far they can fly! We will do this through all the opportunities we provide them with, including our curriculum.

## **Intent**

*Why do we teach this? Why do we teach it in the way we do?*

At Bowerhill Primary School, we recognise the importance of PE and the role it has to play in promoting long term, healthy lifestyles. The intent of our PE curriculum is to provide all children with high quality PE and sport provision through a carefully designed skills and knowledge progression. It is our vision for every pupil to succeed and achieve their potential as well as to lead physically active lifestyles. We strive to inspire our pupils through fun and engaging PE lessons that are enjoyable, challenging and accessible to all. We want our pupils to appreciate the benefits of a healthy and physically active lifestyle. Through our teaching of PE, we will provide opportunities for pupils to develop values and transferrable life skills such as resilience and respect as well as providing them with opportunities to take part in competitive sport.

## **Implementation**

*What do we teacher? What does this look like?*

Pupils at Bowerhill participate in high-quality PE and sporting activities. Our PE programme incorporates a variety of sports to ensure all children develop the confidence, tolerance and the appreciation of their own and others’ strengths and weaknesses. We provide opportunities for all children to engage in extra-curricular activities during lunchtime and after school, in addition to competitive sporting events. This is an inclusive approach which endeavours to encourage not only physical development but also well-being.

## **Impact**

*What will this look like? This is what the children at Bowerhill School will have achieved by the time they leave our school.*

Our curriculum aims to improve the wellbeing and fitness of all children at Bowerhill, not only through the sporting skills taught, but through the underpinning values and disciplines PE promotes. Within our

lessons, children are taught about self-discipline and that to be successful you need to take ownership and responsibility of their own health and fitness. Our impact is therefore to motivate children to utilise these underpinning skills in an independent and effective way in order to live happy and healthy lives.

### **School Sports Premium Funding**

The Government is providing each primary school throughout England with additional funding which is to be spent on improving the sports provision within schools. At Bowerhill Primary School we believe a high-quality PE curriculum should be an integral part of the whole school curriculum and one that staff, pupils and parents understand and can contribute to. Our school recognises the values that a high-quality PE and school sport curriculum gives pupils.
