

Bradfield Careers - Helpful careers research sites:

- **Complete-Careers Quiz** - Great personality quiz to help you identify strengths, areas for growth and possible jobs/careers that could suit you. [Quiz – Complete Careers \(complete-careers.com\)](https://www.complete-careers.com)
- www.icould.com Lots of real-life career videos. You can also search for 'Careers Box' videos on YouTube.
- [Career Zones - Success at School](https://www.careerzones.com) Simple careers research site. Careers Zones are easy to use.
- [Occupations: A | Careersmart](https://www.occupations.com) Lots of helpful info including A-Z occupations and industries directory. You can also try the 'Career Smart Skills Audit' test.
- www.careerpilot.org.uk Easy to use careers research site suitable for all ages. Create an account to access quizzes and other tools.
- www.myworldofwork.co.uk Great site packed with tools and quizzes as well as job profiles. Great 'Animal Me' personality quiz.
- [www.Prospects.ac.uk](https://www.prospects.ac.uk) Register to take the career quiz. Lots of helpful information.
- [Careers - BBC Bitesize](https://www.bbc.com/careers) Includes A-Z Careers Directory – Packed with information, videos and case studies.
- www.ucas.com/explore/career-list Browse career information and take the quiz.
- [Explore careers | National Careers Service](https://www.nationalcareersservice.co.uk) Main careers site for England. Very good 'job profiles' and lots of interactive quizzes as well as information about anything careers related. Very informative.
- **Unifrog:** Every student can access Unifrog, just head here: [Sign In - Unifrog](https://www.unifrog.com) use your school email address to access, then click reset password. Great selection of careers quizzes to help inspire and an extensive Careers/Subjects library to explore. Work Experience platform plus MOOCs (online learning)

Other sites you may find useful:

- www.ucas.com – The 'go to' site for everything HE (Higher Education/Post 18) related.
