Welcome to

BRADFIELD
SECONDARY
SCHOOL

Welcome to Bradfield Secondary School is a community with high aspirations for every young person. We prepare pupils to thrive in a world that is technologically advanced, dynamic, and diverse. While academic success matters, we place equal value on developing compassionate, resilient individuals who are organised, proactive, and ready to make a positive impact.

Our Trust

At **INOVA**, our vision is clear and unapologetically ambitious:

Transforming lives through the power of learning.

We are a values-led trust, committed to **Innovation, Collaboration, and Excellence.**

These principles guide everything we do — from the way we educate and support our learners, to how we develop our staff and engage with our communities.

Innovation

Collaboration

Excellence

Welcome Year 5 & 6 Parents and Carers

This evening, we hope you will:

- Get to know Bradfield, it's staff and its ethos
- Have an opportunity to ask questions to our year 7 pupils about their experiences of transition and their first year at Bradfield

Our Vision

Bradfield Secondary School is a safe, ambitious and inclusive community where pupils are empowered to achieve excellence in learning and in life. Through high expectations, strong support and a culture of mutual trust and respect, we foster confident communicators, independent thinkers and morally grounded young people who are always kind.

Our curriculum is both broad and deeply rooted in knowledge. We work hard to prepare pupils for a technologically advanced future, encouraging pupils to embrace a world rich with adventure and opportunity, while navigating its inherent challenges and risks. We teach pupils that hard work and determination result in academic excellence, pride and happiness.

The school values and protects childhood, guiding pupils to confidently face the complexities of the future. We create powerful moments that broaden horizons and build character, enabling our pupils to enjoy and value their school years.

Our Values

ACHIEVEMENT

We have high academic expectations of ourselves and are proud of our personal excellence

COMMUNITY

We work together to better our communities and inspire one another

TRUST

We act with honesty, integrity, respect and kindness

Manifesting Ofsted 2029

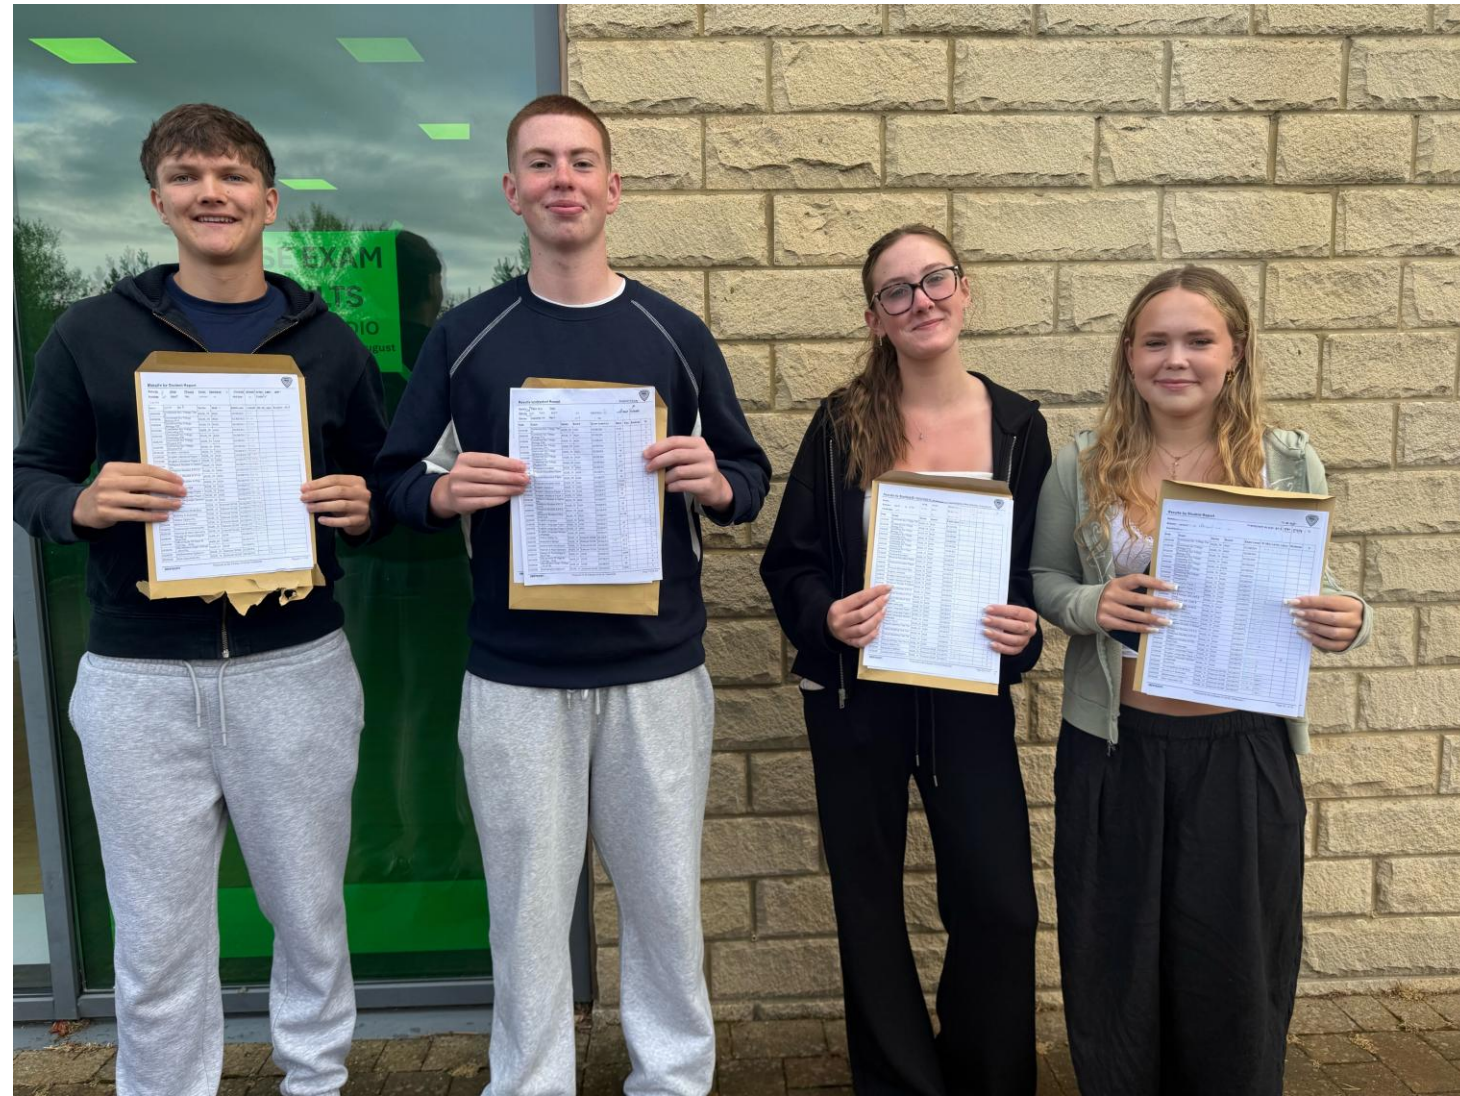

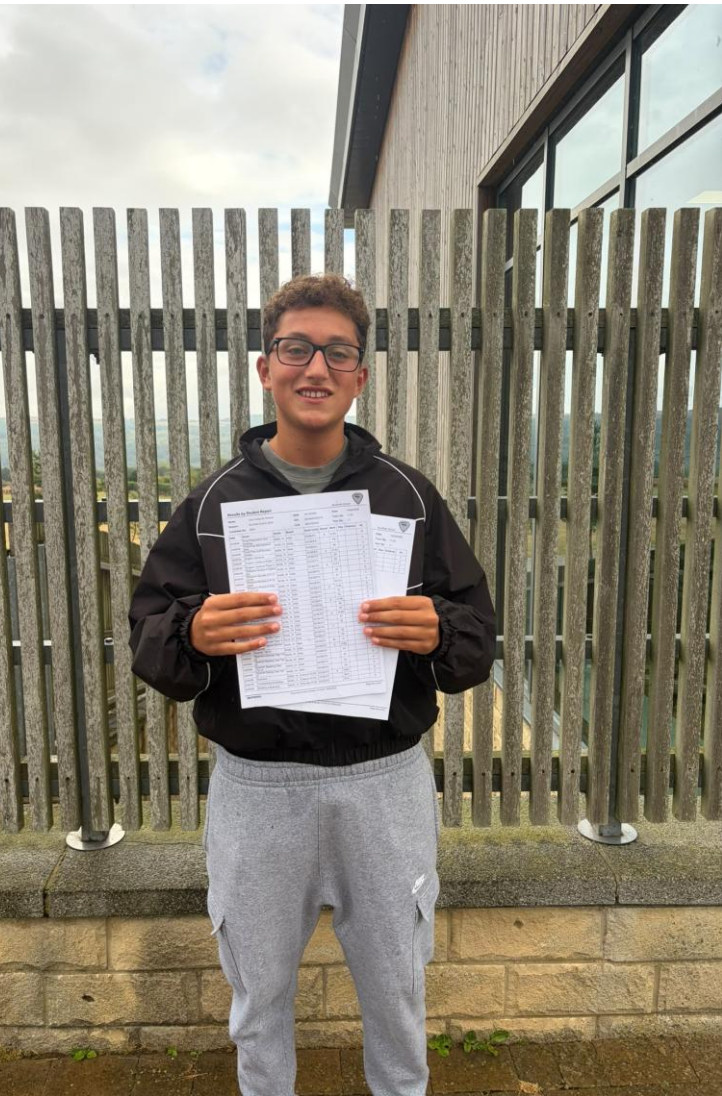

Bradfield School provides an exceptional quality of education where pupils thrive academically and personally. The school's ACT values—Achievement, Community and Trust—are not merely statements but lived principles that shape daily practice.

Pupils demonstrate **Achievement** through consistently strong outcomes, a scholarly approach to learning, and a determination to excel across subjects.

A powerful sense of **Community** permeates the school; pupils support one another, celebrate diversity, and contribute positively to a warm, inclusive environment in which everyone feels they belong. Relationships between staff and pupils are characterised by **Trust**, enabling pupils to take intellectual risks, seek feedback confidently, and engage openly in their learning. As a result, pupils behave impeccably, achieve highly, and leave the school as articulate, responsible young people equipped to contribute meaningfully to society.

GCSE Success

Extra-Curricular & Enrichment

We proudly offer over **40 extra-curricular clubs** at lunchtime and after school, allowing pupils to explore diverse interests like **sports, music, art, and more.**

Additionally, we enhance learning through educational trips, with each student participating in at least one annual trip.

Our ambitious program includes international visits, such as skiing trips and **sports tours to Spain**, and the **Camps International expedition to Kenya in 2027.**

What our year 7 pupils have to say...

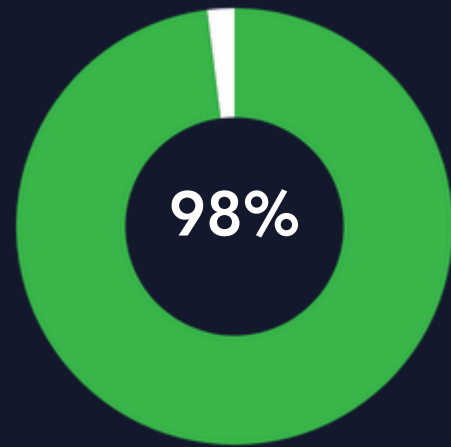

Pupil Feedback 2025/26

Do you feel settled
at Bradfield School?

Pupil Transition - Feedback

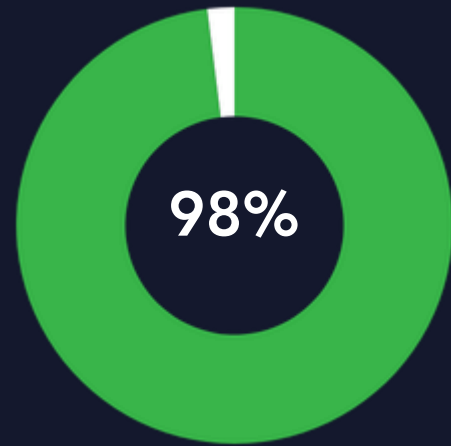

Knowing our School

Do you know your way around school with confidence?

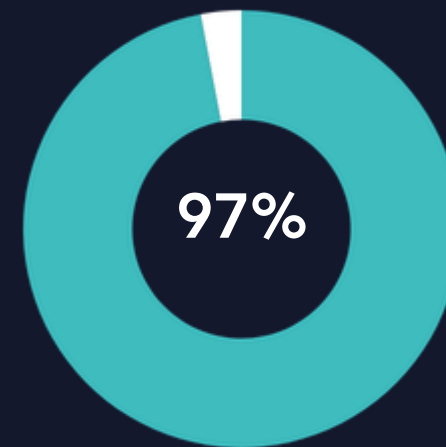

Friends

Have you made some new friends at Bradfield School?

Safety

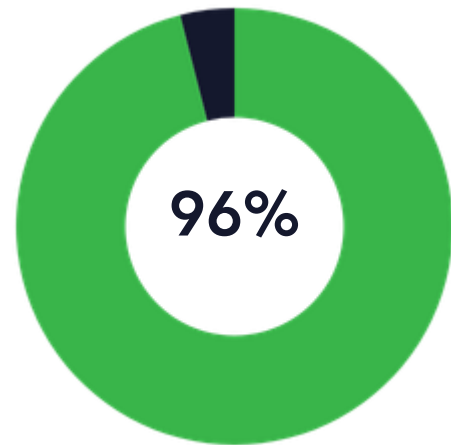

Do you feel safe at Bradfield School?

Transitions

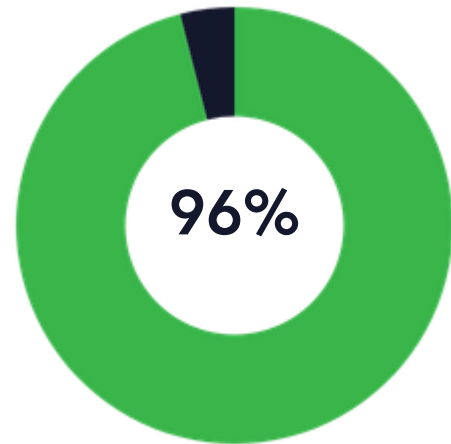

Did you enjoy transition days?

Parent Transition - Feedback

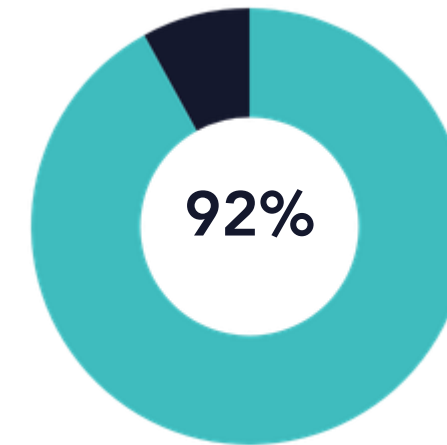

School Start

Do you feel your child has made a positive start at Bradfield School?

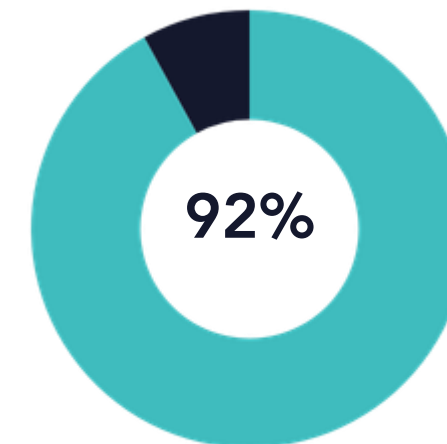

Safety

Does your child feel safe at Bradfield School?

Concerns

Does your child know who to come to if they had a concern or a question?

Communication

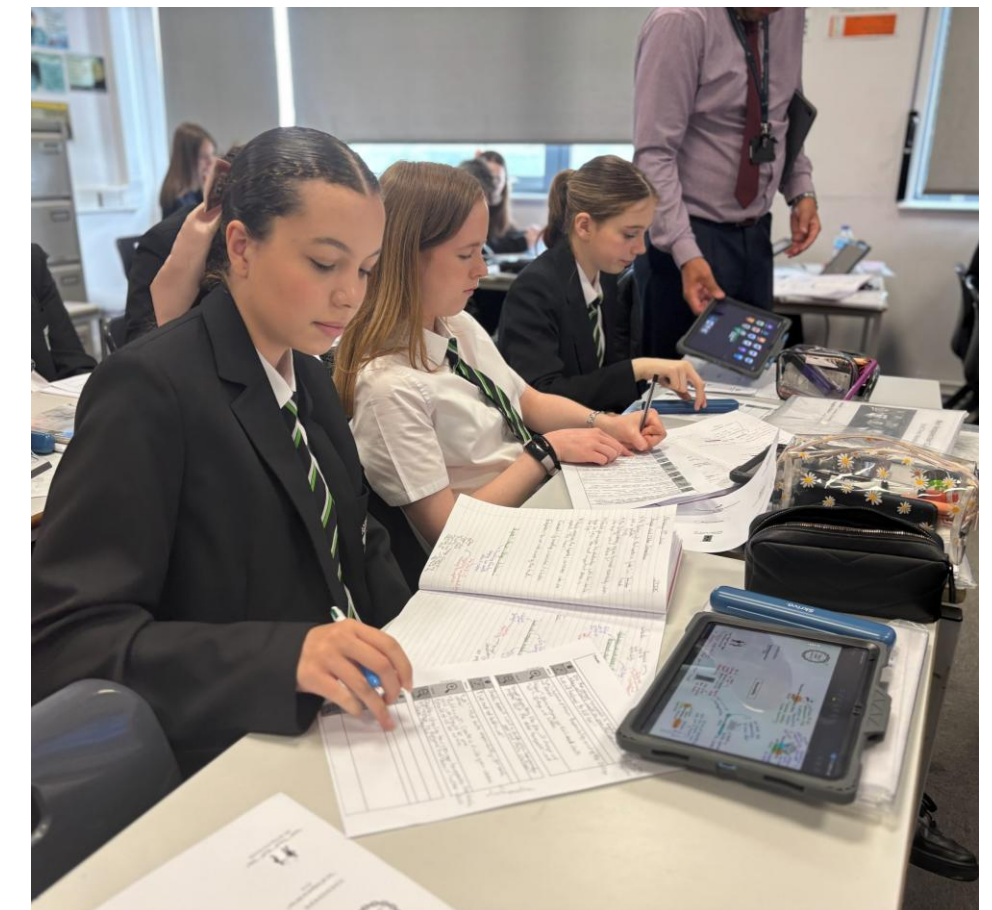

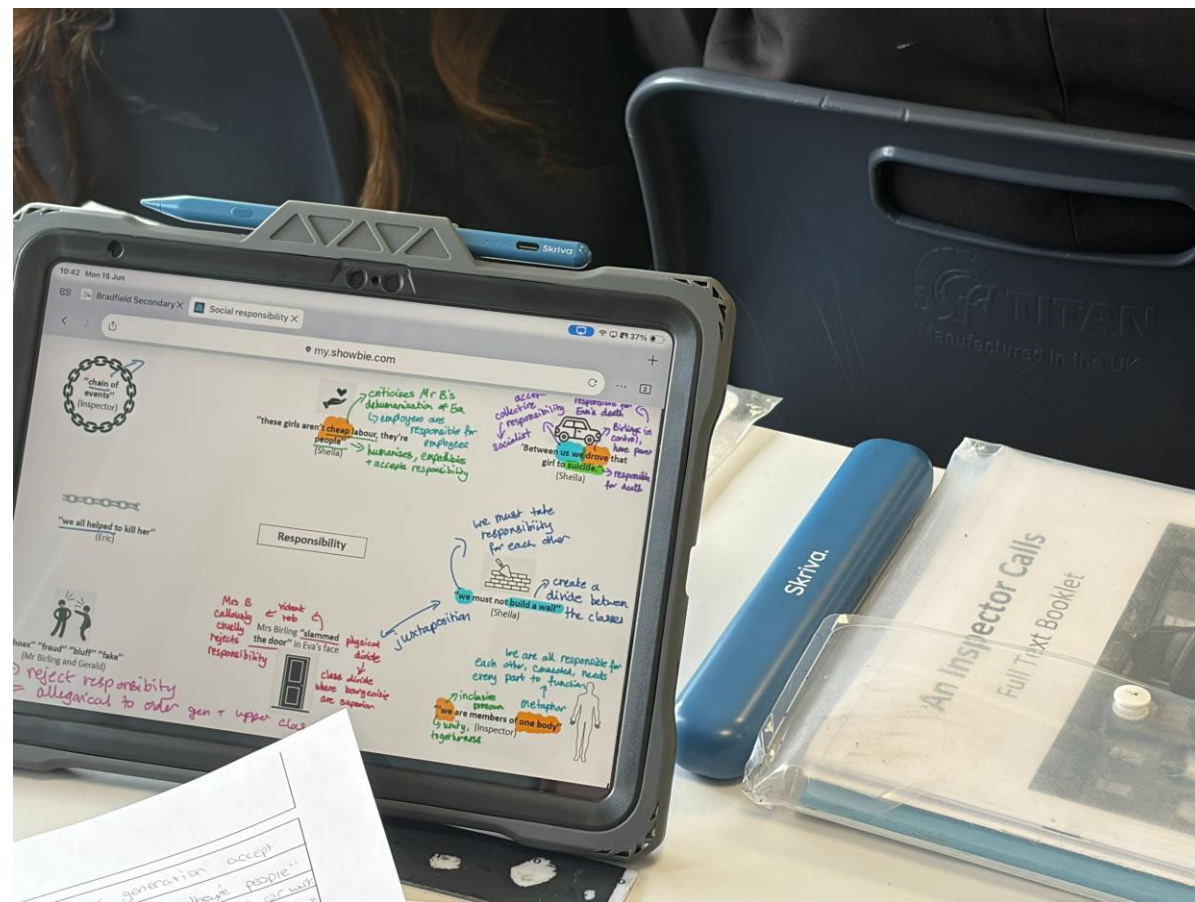

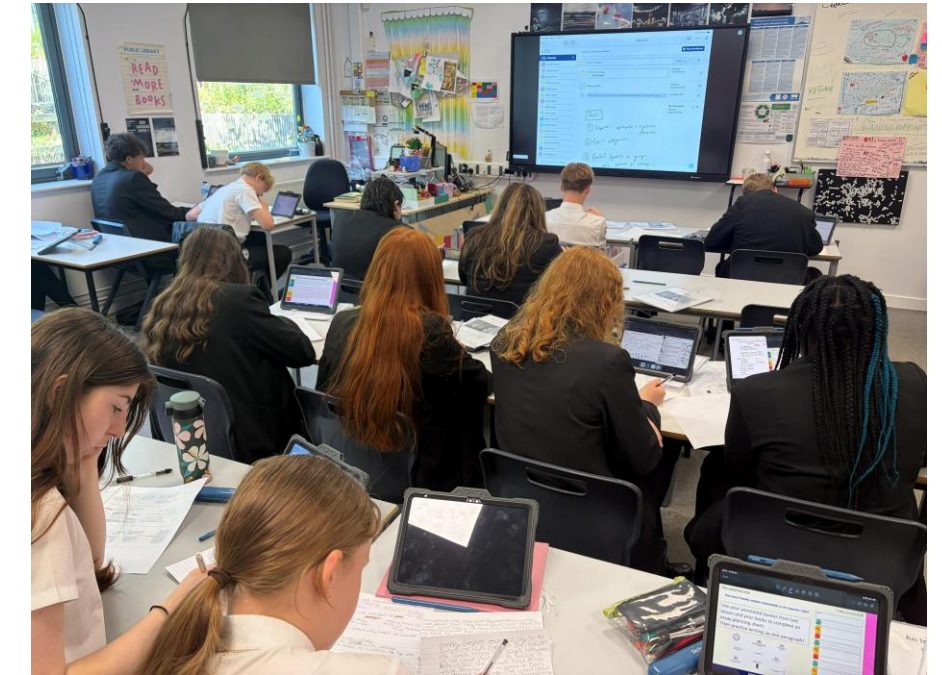

Has communication been effective during the transition period

It has been a pleasure to start our son's journey with Bradfield School. There is a sudden liveliness in his face when he talks about school

I want to thank everyone involved in Y7 transition for the fantastic start to the secondary education that our child has received. She has **settled well academically as well as pastorally** and we are very happy with the start she has made.

Behaviour & Expectations

At Bradfield School, we are committed to creating a calm, safe and positive environment where everyone can thrive.

- High standards and high support for all pupils.
- Consistent adult behaviours and predictable routines.
- Positive relationships built on trust, respect and belonging.
- Restorative and relational approaches that repair and strengthen relationships.
- Early identification and support for pupils experiencing barriers to learning or regulation.
- Equitable outcomes for all pupils, particularly those who are vulnerable, disadvantaged or have additional needs.

"Relationships between staff and pupils are warm and respectful."
- Ofsted June 2025

SEND Talk 5.15pm

The SEND support at Bradfield School is exceptional, with a dedicated and skilled team providing personalised care for students. They create an inclusive environment through tailored learning plans and emotional support, collaborating with families and professionals to meet individual needs.

The school's holistic approach focuses on recognising strengths while addressing learning barriers, offering workshops and activities to build confidence and life skills.
