

Subject: National Careers Week 2026

3rd March 2026

Dear Parents and Carers,

This week at Bradfield School, our pupils have been engaging in a range of activities to celebrate **National Careers Week (NCW)**. Throughout the week, students have explored different career pathways, learned about the skills employers value, and taken part in discussions designed to help them think about their futures with curiosity and confidence.

To support their continued careers learning beyond the classroom, we are pleased to share that a number of **free online workshops** are available for pupils to access from home. These sessions, provided by InvestIN Education, offer insights into a variety of competitive and exciting career areas. Each workshop includes real-life perspectives from professionals, guidance on relevant university pathways, and practical tips to help young people make informed choices.

For any pupils who are unable to attend live, recordings will also be available after each session. This means students can continue exploring their interests independently and at a time that suits them.

We encourage you to share these resources with your child and support them in taking advantage of these opportunities. Continuing this learning at home can be a valuable way to spark conversations about career aspirations and next steps.

Thank you for your ongoing support in helping our pupils develop the knowledge, ambition and confidence they need for the future.

- [How to Become a Lawyer](#) with Elle McDonald, Associate Solicitor at Stone King LLP, on Tuesday 10th March at 6PM
- [How to Become an Entrepreneur](#) with Kai Hussein, founder of businesses across automation, legal technology and clean tech, on Wednesday 11th March at 6PM
- [How to Become a Psychologist](#) with Dr Vicky McKechnie, Clinical Psychologist, on Thursday 12th March at 6PM

Kind regards,

Karen Carter & Bradfield School Careers Team

Assistant Headteacher - Personal Development | Bradfield Secondary School
