

Dear Parent/Carer,

Football/Netball trip to Malaga Sunday 28th March 2027 - Thursday 1st April 2027

After running a series of very successful football/netball trips during the Easter holiday period, I am currently planning another visit to Malaga for Easter 2027. It includes an itinerary to cater for both football and netball enthusiasts.

This exciting trip will give students at the school the opportunity to train with the expert professional netball & football coaches and participate in a tournament & local fixture. Alongside this, all students will go on a behind the scenes tour of Malaga FC stadium and have a day at Parque Aventura High Ropes.

The cost of the trip will be £1200 this is inclusive of flights, transport via coach to and from the airport, all activities, accommodation on a full board basis in a good standard beach resort hotel, as well as travel insurance. There will be an initial non-refundable deposit of £250 with instalments described in the payment plan below. At present there is no limit on places however, this may change if the numbers exceed 180.

Instalments	Amount	Due by
Deposit <i>Non refundable</i> - unless the trip is over/ under subscribed and we are unable to offer your child a place.	£ 250	28/11/2025
Instalment 1	£ 200	30/01/2026
Instalment 2	£ 200	30/04/2026
Instalment 3	£ 200	30/06/2026
Instalment 4	£ 200	30/09/2026
Instalment 5	£ 150	30/11/2026
Total Due	£ 1,200	

Deadline for deposits is Friday 28th November 2025 which should be paid via ParentPay. At this point please only pay the deposit until your place is confirmed.

The payment plan will be set up on ParentPay allowing you to make payments online. You can make extra payments if you wish, however you must have paid £850 towards the cost of the trip by 30th June 2026, as we are subject to the terms and conditions of the travel company and will need to make regular payments.

Once a place has been booked for your child with the tour operator, you are subject to the terms and conditions of the travel company, including their cancellation terms under which your deposit may not be returned and you would be required to pay any additional cancellation fees which may apply; the later the cancellation, then fees increase up to and including the full amount of the trip.

Please note that the school has the right to turn down or withdraw the offer of a place to any student who it is felt is not conducting themselves appropriately in school currently, or

in the period between now and the dates of the trip. Such behaviour compromises the safety and enjoyment of the group.
