Attendance this week is: 94 %

Bradfield pupils have continued to impress and make us all extremely proud this week as we held our first Big Debate on use of social media for under 16s in assemblies – we were in awe at the confidence, eloquence and persuasive nature of our speakers, as well as those from the audience who contributed. All pupils voted at the end of the assembly to cast their vote on the contentious topic. We would love to share your views with the school so please look out for the upcoming poll! Staff are also casting their vote and we will be sharing this across the school to allow the conversation to continue.

Year 11 have done their first big exams and have on the whole walked out smiling every day – this is due to their fantastic commitment and preparation seeing some come to school at 7.30 and stay until 6. Thank you to all staff as well for giving up their time.

As it is Mental Health Awareness Month, on Tuesday all year groups received an assembly from Kooth who shared their top tips and fantastic resources to support young people with staying healthy.

Over 55 pupils attended our charity student leader launch and already have amazing ideas for supporting local charities beginning with a non uniform day **on Friday 23rd May, with a theme of wear something blue.** This is to raise funds for Bluebell Wood Children's Hospice, a cause very close to the hearts of our local community and pupils

To top it all off – we had 82 pupils go out trekking for their Duke of Edinburgh preparation and practice walk, the weather has been so kind so let's hope it stays like this for the real thing. A big thank you again to staff for supporting these extra-curricular activities.

Please ensure all pupils come to school with blazers on next week as the weather is set to cool a little. Enjoy the sunshine!
