Dear Parents and Carers,

Spring is in the air, the nights are getting lighter, the days are getting warmer and we are all looking forward to the Easter holidays! However, Bradfield school continues to work at pace and we have enjoyed another busy week including:

- An amazing trip for year 11 Art students to Yorkshire Sculpture Park and The Hepworth Gallery.
- A visit from Cambridge University to run sessions with some of our year 10s.
- Bespoke training for our newly elected School Council to inspire them to be the leaders of the future
- Following the success of our anti bullying ambassador led assemblies, recruitment numbers have doubled this week.
- We also welcomed a (very cute) support dog into school which many of our pupils benefitted from spending time with and learning about.
- Finally, A big thankyou to all our transition leaders who represented our school so well at the first year 6 transition event this week showing what a fantastic school Bradfield is.

We look forward to our exciting rewards events next week which many of our wonderful pupils are involved in as a celebration of their hard work and determination.

Please see below a lovely letter from our board of Governors reflecting on their day in school at the end of February. We hope this provides clarity and reassurance on the direction of travel of the school.

This week in PD and assemblies:

Pupils were treated to an interactive Science assembly celebrating National Science and Engineering week.
