Mr D Barrowclough – Executive Headteacher
Mrs A Hughes – Head of School

23.05.25

Dear Parents and Carers,

As you know, as a school we have been doing everything possible to ensure the best possible outcomes for the Y11 students. We have been so impressed with their diligence and hard work, and how they have responded to the opportunities for extra revision we have provided. I have no doubt their hard work will pay off for the when the exam results are published in August. They should all be very proud of themselves.

When we return from the half term break, there will be some lessons where students have completed the exams for these subjects. To ensure we utilise this time effectively for the students, we will be partially collapsing the timetable to offer extra core subject booster sessions. These will run as outlined below. All other lessons will run as normal as they still have exams. Students will be given details of rooming and other logistics through their form tutor each morning where relevant.

Monday 2nd June

- Period 4 - Extra Maths for those students who would ordinarily have PD or RE lessons.

Tuesday 3rd June

- Period 1 - Extra Maths for those students who would ordinarily have PD or RE lessons.
- Period 2/3 - Chemistry booster sessions for Business and Computer Science students.

Wednesday 4th June

- Period 3 - Extra English for Health and Social Care students. This will be small group work with the subject leader for English.
- Period 4 – Extra Science for those students who would ordinarily have PD or RE lessons.

Thursday 5th June

- Period 3 – Extra English for Drama and Business students.
- Period 5 – Extra Science for those students who would ordinarily have Core PE.

Friday 6th June

- Period 4 – Extra Maths for those students who would ordinarily have PD or RE lessons.
- Period 5 – Extra Science for those students who would ordinarily have Core PE.

As a school, we would like to thank you for all of the help and support you have shown the young people through this critical time in their education.

Yours sincerely,

Mrs Bott

Assistant Head Teacher
