

Bradfield School

Y11 Revision Support Booklet Autumn Half Term 2

Instructions:

Each week, work through the tasks in the table for the subjects you study.

The subjects highlighted in **yellow** are core, so you should do all of these, plus your chosen option subjects.

This work is in addition to that set as homework by your subject teachers.

Some of the tasks will direct you to GCSE Pod, there are instructions of how to log in to GCSE Pod on the first page of this document.

1. Go to www.gcsepod.com and click the LOGIN box at the top of the screen.

2. On the next screen that appears, click 'I'm new to GCSEPod' under the student box.

3. On the next screen, complete the boxes...

4. The complete the boxes on the following page for username, password, password hint and password reset email. **Don't complete anything else yet – just scroll to the bottom and click SAVE.**

5. This will then take you to the home page. Watch the following videos to show you what to do next...

- ✓ [Students – An Introduction](#)
- ✓ [Students – How to Access Content & Learning Activities](#)

6. Personalise the subjects you do through 'My Account' at the top of the page. Untick the subjects you don't do.

The following links will be useful when using GCSE Pod:

<https://members.gcsepod.com/shared/resources/undefined/5325/students?open=5320>

<https://members.gcsepod.com/shared/resources/undefined/5325/students?open=5311>

Subject	Revision Tasks W/C 4 th November
Art	Students should continue to work on their art coursework.
Biology	<p>Topic – B1 Cell biology Page in Kerboodle textbook: 10-13</p> <p>TASK</p> <p>Read the flashcards: GCSE Biology flashcards - cell biology - BBC Bitesize</p> <p>Have a go at the questions: Seneca Quiz</p>
Business Studies	<p>Complete GCSE Pod quiz on enterprise, making flashcards for any areas identified as an area for development.</p> <p>Use CGP book as a tool to help you.</p>
Chemistry	<p>Topic – C1 Balancing Chemical Equations</p> <p>Page in Kerboodle textbook: 6-7</p> <p>TASK</p> <p>Watch the following video and have a go at the questions that follow(click the focus option): Balancing Chemical Equations Lesson GCSE Chemistry AQA Higher Combined Cognito</p>
Computer Science	<p>Topic 1.1 Systems Architecture</p> <p>Task: Complete the Seneca Revision Activities Here: Seneca Computer Science 1.1 Systems Architecture</p>
Drama	<p>Macbeth</p> <p>Work through the questions and the revision booklet link below to Drama Student SharePoint: Macbeth Original Performance Conditions Knowledge Organiser.docx Macbeth Revision Booklet</p> <p>WEEK 1</p> <p>Read Section 2 – Create flashcards and a mind map of the plot, characters, themes, and literary devices.</p> <p>Helpfull links: Macbeth characters</p>
Engineering	<p>Material properties - Material categories and properties - OCR - GCSE Design and Technology Revision - OCR - BBC Bitesize - Material Properties revision</p> <p>Types of movements - Mechanical devices - OCR - GCSE Design and Technology Revision - OCR - BBC Bitesize - Mechanical Devices</p> <p>Systems - Electronic systems - OCR - GCSE Design and Technology Revision - OCR - BBC Bitesize - Electronic Systems</p> <p>Impact on industry and enterprise - New and emerging technologies - OCR - GCSE Design and Technology Revision - OCR - BBC Bitesize - New and Emerging Technologies</p>

English Language	<p>Access this term's revision activities here: HALF TERM 2 REVISION LANG + LIT or by logging into Student SharePoint > English > Y11 > Revision and Practice Papers > Half term 2 Revision Lang + Lit and heading into this week's folder</p> <p>Week 1 – Use the prompts to complete a timed response to the Lang P1 Q5 past paper</p>
English Literature	<p>Access this term's revision activities here: HALF TERM 2 REVISION LANG + LIT or by logging into Student SharePoint > English > Y11 > Revision and Practice Papers > Half term 2 Revision Lang + Lit and heading into this week's folder</p> <p>Week 1 – Complete the 'Quick Planning' sheet</p>
Food	<p>Health and Nutrition</p> <p>Use BBC bitesize. Read, watch and take the quiz. Complete ALL sections.</p> <p>Food groups and the Eatwell Guide - Food and nutrition for good health – CCEA - GCSE Home Economics: Food and Nutrition (CCEA) Revision - BBC Bitesize</p>
French	<p>Vocabulary and model answer revision: 3x 15 minutes vocab, 1x15 minutes model answers</p> <ul style="list-style-type: none"> -Suggested unit: unit 2 – healthy lifestyles -You have your own individual model answers for the speaking -Use your Knowledge Organiser for vocab revision. Spend a few minutes reading through and pick out 10-20 words you think you would have trouble recognising or remembering. -Spend 15 minutes working on these words with a method such as look, cover, write, check or having someone test you. Don't just look at them for 15 minutes. -If you have some words you are still getting stuck on, include these in your next session, and add more words to replace the ones you have learnt. -A digital copy of the Knowledge Organiser is available here: Unit 2 KO
Geography	<p>Urbanisation:</p> <ol style="list-style-type: none"> 1. Watch the following video clips on GCSE Pod: Urban Issues and Challenges https://members.gcsepod.com/shared/podcasts/title/11541 2. Complete the 'Check and Challenge' quizzes below: https://members.gcsepod.com/shared/podcasts/title/11541?action=open_cc&assess_group=647 https://members.gcsepod.com/shared/podcasts/title/11541?action=open_cc&assess_group=648
Health and Social Care	<p>N/A – students will start their work for the C3 exam after Christmas. They should continue to work on their PSA until then.</p>
History	<p>Medieval Medicine c1250-1500:</p> <ul style="list-style-type: none"> • Use BBC Bitesize Edexcel Medieval Medicine: Preventing disease in the medieval period - Medicine in medieval England, c.1250-c.1500 - Edexcel - GCSE History Revision - Edexcel - BBC Bitesize, GCSE History Rapid Revision: Medieval Treatments knowledge organiser: KO1 - Medieval England.docx and/or watch short programmes 4-9: Rapid Revision: Medicine Through Time c.1250-Present - YouTube. You could use this too: Overview: Medieval medicine c.1250-1500 and knowledge organisers here: History • Make flashcards/mind maps/a revision clock History on any 3 topics about Medieval Medicine, then get tested on this content – use look cover talk, look cover write or ask someone to test you.

	<p>Spend 30 minutes working on these facts with a method such as look, cover, write, check or having someone test you or complete the online Bitesize quiz. <u>Don't just look at them for 30 minutes.</u></p> <p>If you have some facts you are still getting stuck on, include these in your next session, and add more facts to replace the ones you have learnt.</p> <ul style="list-style-type: none"> • Complete sample Medicine Paper 1 exam questions here: History
Music	<p>Read the notes on Harmony and Tonality and take the quiz at the end of the section. Chords - Harmony and tonality - AQA - GCSE Music Revision - AQA - BBC Bitesize</p>
Maths	<p>Tasks set for all students on Dr Frost Maths based on individual student Question Level Analysis.</p> <p>Pearson Edexcel Exam papers are available on Dr Frost Maths and Maths Student sharepoint</p> <p>Test yourself using Flashcards</p>
Physics	<p>Topic – P1 Energy stores</p> <p>Page in Kerboodle textbook: 4-5</p> <p>TASK</p> <p>Watch the following video: Energy stores - Energy: Video playlist - BBC Bitesize</p> <p>Have a go at the flashcards: Flashcards - 1.1 Energy Changes in a System - AQA Physics GCSE.pdf</p>
Product Design	<p>Material properties - Material categories and properties - OCR - GCSE Design and Technology Revision - OCR - BBC Bitesize - Material Properties revision</p> <p>Types of movements - Mechanical devices - OCR - GCSE Design and Technology Revision - OCR - BBC Bitesize - Mechanical Devices</p> <p>Systems - Electronic systems - OCR - GCSE Design and Technology Revision - OCR - BBC Bitesize - Electronic Systems</p> <p>Impact on industry and enterprise - New and emerging technologies - OCR - GCSE Design and Technology Revision - OCR - BBC Bitesize - New and Emerging Technologies</p>
RE	<p>Topic – Christian Beliefs: Read the webpage on Jesus Resurrection and ascension and make flash cards. https://www.bbc.co.uk/bitesize/guides/zrpqmsg/revision/6</p> <p>Answer the questions on the quiz and the webpage: https://www.bbc.co.uk/bitesize/guides/zrpqmsg/test</p>
Spanish	<p>Vocabulary and model answer revision: 3x 15 minutes vocab, 1x15 minutes model answers</p> <ul style="list-style-type: none"> -Suggested unit: unit 2 – healthy lifestyles -You have your own individual model answers for the speaking -Use your Knowledge Organiser for vocab revision. Spend a few minutes reading through and pick out 10-20 words you think you would have trouble recognising or remembering. -Spend 15 minutes working on these words with a method such as look, cover, write, check or having someone test you. <u>Don't just look at them for 15 minutes.</u> -If you have some words you are still getting stuck on, include these in your next session, and add more words to replace the ones you have learnt.

Subject	Revision Tasks W/C 10 th November
Art	Students should continue to work on their art coursework.
Biology	<p>Topic – B2 – Stem Cells</p> <p>Page in Kerboodle textbook: 30-31</p> <p>TASK</p> <p>Watch the video:</p> <p>Stem Cells</p> <p>Have a go at the questions:</p> <p>Stem Cells in Medicine Quiz GCSE Biology AQA Higher Combined Cognito</p>
Business Studies	<p>Complete GCSE Pod quiz on spotting a business opportunity, making flashcards for any areas identified as an area for development.</p> <p>Use CGP book as a tool to help you.</p>
Chemistry	<p>Topic – C2 –Group 0, 1 and 7</p> <p>Page in Kerboodle textbook: 27-30</p> <p>TASK</p> <p>Watch the videos:</p> <p>Group 7 and 0</p> <p>Group 1</p> <p>Have a go at the questions:</p> <p>Seneca Questions</p>
Computer Science	<p>Topic 1.2 Memory and Storage – Part 1</p> <p>Task: Complete the Seneca Revision Activities Here:</p> <p>Seneca Computer Science 1.2 Memory and Storage Part 1</p>
Drama	<p>Macbeth</p> <p>Work through the questions and the revision booklet link below to Drama Student SharePoint:</p> <p>Macbeth Original Performance Conditions Knowledge Organiser.docx</p> <p>Macbeth Revision Booklet</p>
Engineering	<p>Material properties - Material categories and properties - OCR - GCSE Design and Technology Revision - OCR - BBC Bitesize - Material Properties revision</p> <p>Types of movements - Mechanical devices - OCR - GCSE Design and Technology Revision - OCR - BBC Bitesize - Mechanical Devices</p> <p>Systems - Electronic systems - OCR - GCSE Design and Technology Revision - OCR - BBC Bitesize - Electronic Systems</p> <p>Impact on industry and enterprise - New and emerging technologies - OCR - GCSE Design and Technology Revision - OCR - BBC Bitesize - New and Emerging Technologies</p>
