

BRADLEY GREEN PRIMARY ACADEMY

NURSERY NEWSLETTER

AUTUMN 2 2026

CURRICULUM

Ohis half term our teaching and learning will focus on journeys through the text "Naughty Bus". We will be going on a journey by bus to Dukinfield library and will also go on a walking journey around our local area. We will read non fiction books about transport and will look at paper and digital maps. We will create our own maps and also story maps to retell the story. We will use different resources to make vehicles and will explore different occupations such as a bus driver.

Our Author of the half term is Michael Rosen who is known for writing "We're going on a bear hunt". We will be learning some of his poems which we will perform in Star award.

We will also be learning lots of new songs relating to vehicles and transport.

FOREST SCHOOL

We are very passionate about outdoor learning in EYFS and we will go outside in all weathers. As the weather will be getting colder and wetter, please can you start to send your child to Nursery with hat and gloves and with extra layers like socks, joggers, leggings or thermals for forest school.

11.12.26 - EY Christmas parties
16.12.26 - Christmas dinner day
17.12.26 - EYFS/KS1 Christmas performance

SQUIGGLE WHILST YOU WIGGLE

We will be starting our daily Squiggle sessions which is a motor skills program that uses gross motor skills combined with music to prepare young children for writing. We use bilateral movements to create different marks which then in turn will connect the physical shapes to form letters.
