Famous Landmark

Notre Dame

Notre Dame is a very old cathedral in Paris, France. It is one of France's most famous landmarks and many people visit it each year. The cathedral is on a small island on the River Seine. It is the cathedral of the Catholic Archdiocese of Paris, one of 23 archdioceses in France. The cathedral was built during two centuries, from 1163-1345. It is a very good example of Gothic Architecture in France. At the time it was finished, the cathedral was the biggest such building in Western Europe. On 15 April 2019, smoke and flames were sighted and the Cathedral was declared to be on fire. The fire burnt for over half a day and caused massive damage. Most works of art in the cathedral could be saved. The French government announced that the damage would be repaired and the cathedral would be rebuilt.

Song

Promenons-nous dans les bois

Tous:

Promenons-nous dans les bois
Pendant que le loup n'y est pas
Si le loup y 'était il nous mangerait,
Mais comme il n'y est pas il nous mangera pas.

Loup y es-tu ?

Entends-tu ?

Que fais-tu ?

Le loup:

Je mets ma culotte

Tous:

Promenons-nous dans les bois
Pendant que le loup n'y est pas
Si le loup y 'était il nous mangerait.....

Le loup:

Je mets ma chemise !

Je mets mes chaussettes !

J'arrive!
