

Year 3 newsletter Autumn 1

Welcome

I hope everyone has had fun during the summer holidays and are feeling excited to be returning to school.

Welcome to year 3 and our first newsletter of the school year. I look forward to getting to know everyone and beginning lots of exciting new learning. Our topic this half term is coasts and we will be completing lots of cross curricular work around this theme.

Dates

Welcome to year 3 'drop in' come and see the classroom and meet the y3 team.

Wednesday 4th September

Class seaside trip to New Brighton Friday 4th October

Curriculum

In English we will be reading the Mousehole cat a beautiful story set in Cornwall by the sea.

In Maths we will be starting with place value and moving on to measure.

In Geography we will be learning about coasts.

In science will be learning about rocks and soils

In RE we will be learning about what people believe about God.

The Year 3 team

Miss Haley will lead the class, Mrs Phillips is our teaching assistant. Mrs Sutcliffe will teach Thursdays and Mrs Oldham, Miss Hind and Primary sports coaching will teach some lessons.

Please ensure you are signed up to class dojo, updates, photographs and messages are posted here.

If you have anything you'd like to discuss with the Year 3 staff please send a message or speak to a member of the team at the door.

PE

PE is on a Tuesday and Wednesday.

Children need to come to school in their PE kit / Swimming kit on PE days. Our kit consists of black shorts/bottoms, white t-shirt, PE hoodie and black trainers. No jewelry or earrings.

Homework

Math's homework

Children will receive Maths homework each week on a Monday. The homework will be a paper sheet which will consolidate the children's learning. Dojo points will be added for those children who complete this homework on time. Sumdog is a great way to practice your maths skills and you can earn extra dojos.

Reading

Children need to read regularly to develop fluency. In school we will aim to read as much as possible with children but reading at home is very important too. Logging children's reading on BoomReader helps us track this and we will award dojo points.

"On average, reading 10 minutes a night equates to roughly 1 million more words a year!"

EXTRA—TT Rockstar

We will be consolidating and furthering our times table knowledge. TT Rockstars is a fun, easy way for children to help learn their times-tables.
