https://www.oxfordowl.co.uk/user/sign\_up.html https://www.worldbookday.com/big-little-book-corner/page/2/ https://www.topmarks.co.uk/Search.aspx?Subject=37 https://www.youtube.com/results?search\_query=joe+wicks+5+minute+ workout+for+children https://www.youtube.com/results?search\_query=cosmic+kids+yoga Teach your monster to read app

- Practice counting forwards and backwards to 20
- Identify 2D and 3D shapes in the house or make different shaped sandwiches to eat.
- Practice writing their full name and the RED words
- Practice the **RED** words from your child's pack
- Set up a shop and identify money and use to buy things .
- Use money to do coin rubbings and talk about the value of the coins.
- Share stories from books you have a at home or read some from the World Book Day link above or you could download 'Vooks' app which offer a free 1 year trial.
- Use construction toys to make things and talk about what you are making.
- Play board games, dominoes, cards or jigsaws.
- Make non-cook playdough, then have a dough disco. (great for developing finger muscles for writing. <u>https://www.youtube.com/watch?v=i-IfzeG1aC4</u>
- Paint a portrait of 'our family'. Investigate what happens when you mix colours.
- Make and write a book.
- Make a band from kitchen pots and pans.
- Have an indoor treasure hunt. Write down words like cup, bin, bag etc children to read the word, then go to the next place to find the next clue. Your child could then write places down to create their own treasure hunt.
- Make and write cards to store for all family member's birthdays.
- Bake- read and follow recipe.
- Make models using junk modelling materials (old boxes etc)
- Make a Jack and the Beanstalk story box or a box for a chosen story, then use it to re-tell the story.
- Make a number frieze for the wall, decorate.
- Play 'keep the balloon up in the airt'.
- Make fruit kebabs using a repeating pattern.
- Make sock puppets and use them to tell a story. You could also make a puppet theatre out of an old cereal box.
- Make binoculars with toilet rolls and write down what they can see. It could be a different theme each day- birds, signs of spring, types of flower.
- Write a number down and put it inside a box- children to go on a hunt around the house and find 10 things. Or any given number up to 20. Use the objects to explore addition and take away.
- Plant something e.g. a pepper seed or tomato seed in soil. Talk about and possibly write a diary about the changes they can see that happen over time. Name and talk about the jobs the different parts of the plant do (see knowledge organiser).

#### <u>Shooting stars</u>

Flick a counter. Look carefully to see which grapheme it lands on. Say or write a word containing the grapheme you landed on.

2.00

# <u>Tricky word</u>

bottle scoops.

Can you catch a word in your scoop, then read it and say a sentence containing that word?

### Order a sentence

Write words on bottle tops. Put the words into order. Don't forget to use a full stop at the end of the sentence.

## Word snack

Can you read the word on your snack? Can you use lots of fruit from the bowl to make a

sentence?

## Twistable cups

read and write the words? Which words are real? Which words are nonsense? Red words- hunt for in books, practice reading, spelling and writing in sentences.

the	we	were	come	old
