## THANK YOU

We are all very proud of how well the children have coped and achieved in such a small amount of time. The last 8 weeks have flown by, but I am sure like us you are all ready for a well earned rest.

You will have noticed the new path that has been laid—it is a semi permanent solution which we hope will allow us to create a better and safer route through the school grounds and allow a one way system for the playground and drop off and pick up.

You will also notice painted foot steps on the paths around school (after the holidays) that will also help families to social distance and we do ask wherever possible that only one family member come to collect children to allow for less people on the school grounds at any one time.

## PANCREATIC CANCER AWARENESS

On Thursday 19th November, it is World Pancreatic Cancer Day. On this day people across the globe come together to raise awareness about the symptoms and risks of the disease, and the urgent need for earlier detection.

This is a cause very close to my own heart as my own Dad passed away from it in April this year. My family are taking part in various fundraising activities and are going to have a final push in November (with help from my school family!) We will be having a non uniform day on the 19th so look out for more information nearer the time.

## NEW PATH

Families will walk up the drive, collect children from the playground and then walk around the outdoor classroom and down the new path to meet the pedestrian path and gate. Parents of children in reception and nursery will follow the one way system by turning left at the top of the drive and once dropping children off, will follow the

path and new arrows and footsteps around school and back down the new path. Staff will help direct you on the first day back and hopefully the leaves will have blown away!

## POSITIVE CASES

Please can I ask parents to inform school immediately if any child is to test positive or need to self isolate due to being in close contact with someone who has tested positive. You can do it by sending Mrs Cameron a message on class dojo or an email to [v.cameron@bradleygreen.org.uk](mailto:v.cameron@bradleygreen.org.uk) Thank you

### Siblings

Please can families with more than one child aim to drop off at the **earliest time** and collect at the **latest time** to ensure children are not

missing any learning

Please do not arrive earlier or later than your slot or later to allow for social distancing

Thank you for your co-operation as always.

### New staggered start and finish times

No start times are later than 9am and our latest finish time is 3.20pm—times are organised around location of classrooms so we don't have multiple classes leaving exits at the same time and can socially distance on the yard and paths.
