

Nursery Newsletter

Summer 1

This half term our teaching and learning will focus on life cycles as we explore the text “Yucky worms” which encompasses both fiction and non-fiction. We are going to become wormologists and learn so many new things about worms! We will learn about how helpful worms can be and will make our own wormery.

We will be visiting Acresfield Gardens again to explore what can be planted in Summer, identify seasonal changes and the changes that may have occurred in the pond.

In our Forest School sessions, we will continue to show respect to nature and each other. We will go on minibeast hunts and use natural materials to recreate work by Andy Goldsworthy.

Our work in Drawing club, is going from strength to strength. We will continue to learn new vocabulary and explore different stories and animations from the past.

We will continue with weekly Sing up music sessions and our focus will be “I’ve got feelings”.

We move onto a new module “Relate” in our My Happy Mind sessions. Relate focuses on how to develop good listening skills, the importance of listening to others and what we can learn when we listen to others.

In Maths, we will focus on numbers 7 and 8, 2d and 3 shapes and further develop our subitising skills.

Our author of the half term is Eric Carle and we will learn that he wrote and illustrated many children’s books.

Diary dates

Monday 22nd April—Bradley Green art gallery in the hall

Monday 7th May—Class photo's

Friday 24th May—Finish for half term

We will also be visiting Acresfield Community Gardens and would welcome volunteers (Date TBC)
