

# Nursery Newsletter

## Summer 2

I cannot believe that we are in the last half term of Nursery! The children who are moving up to Reception will take part in some transition visits known as "Ready, Steady, Reception". This will enable them to spend time with their new teachers, in the new environment and meet new children. The children that are staying in Nursery next year, will also get the opportunity to meet their new friends in weekly "Ready, Steady, Reception" sessions.

Our teaching and learning focuses on the Seaside through the text "Billy's bucket". We will reflect on our visit to Lytham and our experiences of the Seaside. We will learn about lifeboats and how to keep safe around water.

We will discover how food gets from the sea to our plate and will have some very interesting food tasting.

We will carry out some observational drawings of fish and shells, developing our pencil grip and looking at light and shade.

Our author of the half term is Kes Grey and we will enjoy listening to lots of his stories, which are very funny.

We will continue with weekly Sing up music sessions and our focus will be "Let's jam" as we focus on creating music as a band.

We move onto a new module "Engage" in our My Happy Mind sessions. Engage focuses on setting goals and why they are important.

### Diary dates

Monday 10th June—School closed for Inset day

Tuesday 11th June—Trip to Lytham

Tuesday 18th June—9am and 2.30pm Nursery Sport's day
