

Hello everyone and welcome back to the summer term!

I can't believe that we are now in the final part of the school year, nevertheless we still have lots of exciting learning planned.

Our main topic will be "What makes my local area so important?" We will be developing our geography and mapping skills in this topic. As restrictions continue to lift, we hope to visit the local area.

As scientists, we will be investigating light. We will be conducting lots of investigations to enrich our learning.

Our English text this half term links to our science theme. We will be reading 'The Dark', by Lemony Snicket. We will be basing all of our writing on this high quality text. We will be creating poems, character descriptions and writing our own dark/light inspired stories.

In maths we will be revisiting multiplication and division. The idea behind this is to close the gap created by lockdown. Following this we will move to fractions. A secure understanding of multiplication and division will give the children strong foundations for this next topic. We will be completing daily times tables tests. Please encourage your child to learn theirs at home.

This term we will be completing Design Technology. Our topic will focus on sewing, and the children will be making bookmarks. If you have any old buttons, or bits of ribbon that we can use for embellishments, please do let us know.

## How you can help

**MATHS** – You can access [www.sumdog.com](http://www.sumdog.com) for fun ways to help. We will be developing our understanding of fractions this term. Homework is also set on Sumdog so please check.

**PE** – PE is on **Tuesday and Fridays. Please make sure you come to school on those days in your kit. If you wear earrings, please make sure they are removed before the session..**

**HOMEWORK** – Homework goes home on **Wednesday** and needs to be back in school the following **Monday**. Please make sure it is returned on time so Miss Davis has time to mark and stick in your new work.

**TIMES TABLES & SPELLING** - We will be continuing with our weekly times tables and spelling tests this term. Please encourage your child to practice regularly at home.

**HOME READING BOOKS** – Staff work hard to ensure that reading books are changed regularly. Dojos are awarded for completed books and home reading.

**READING RECORDS** - Please bring planners and books each day regardless of whether books need changing. We often do individual reading.
