

Year 6 Newsletter

Autumn 1

Welcome

Hello and welcome to Year 6. If you have any questions please don't hesitate to contact me through Class Dojo or come and see me at the Year 6 door before or after school. Myself and Mrs Relton want the best for the children in their final year at Bradley Green and we will support in any way we can to ensure they have a happy and successful year with us.

Curriculum

Our author of the half term is Siobhan Dowd, who has written books such as 'The London Eye Mystery'.

In history, will be learning all about the Vikings and answering the big question 'were the Vikings as vicious as we think?'.

In science, we will be learning about evolution and will be conducting some interesting experiments.

In RE, we will be learning about Christians and Humanists and what matters to them the most.

In art, we are focusing on drawing and will turn a 2D drawing into a 3D model.

In PSHE, we will learn about relationships.

In music, we are learning to play a ukelele.

PE

This term we will have P.E lessons on a **Tuesday** and **Wednesday**. Children need to come to school in their PE kit. Our Kit consists of black shorts/bottoms, white t-shirt, PE hoodie and black trainers.

Please remember **no earrings** on PE days.

Homework

Children will receive homework each Monday. This needs to be returned the following Monday.

Reading

Children need to read their book to develop fluency and their general knowledge. We will change the books any day when needed. Please log reading on the Boom Reader app. Children need to use their bookmark so we can identify their book.

Maths

Using TTRockstars, Sumdog and Hit the button will be really helpful for the children to develop understanding of key mathematical concepts.

Communication

Please make sure that you are signed up to Class Dojo for class and whole school messages! You can also see what we are up to on our Twitter page @BradleyGreen #BradleyGreenY6.
