

# Year 6 Newsletter

## Autumn 2

Welcome back to our second half-term in Year 6. We made such an amazing start to the year, the children have settled well in to Year 6 and their new roles around school. It was a pleasure to meet you at parents evening to discuss your child's progress.

### Dates to remember

03.11.25—INSET day  
04.11.25—Children back to school  
07.11.25—Art competition (bring entries to school hall)  
10.11.25—Individual and sibling photos and odd sock day for Anti-bullying week  
14.11.25—Children in Need-non-uniform  
13/14.11.25—Whole school art gallery  
18.11.25—Y6 Fire Service visit  
11.12.25—Christmas jumper day  
11.12.25—Christmas fair  
18.12.25—Y6 Christmas party  
17.12.25—Christmas dinner day  
19.12.25—Year 3-6 Church performance  
19.12.25—Finish for Christmas at 1:30pm  
6.1.26—Children back to school

### Curriculum

Our author of the half term is Onjali Rauf, who has written books such as 'The Boy at the Back of the Class' and 'The Night Bus Hero'.

In history, will be continuing to learn all about the Vikings and answering the big question 'Were the Vikings vicious?' We will then be moving on to our Geography topic of Antarctica.

In science, we will be learning about electricity, another hands-on, engaging unit with lots of practical investigations to learn from.

In RE, we will be considering how to express our beliefs, whether through art, architecture or charity and generosity.

In DT, we will be researching, designing, creating and evaluating an object including sewing.

### PE

This year we will have P.E lessons on a **Tuesday** and **Wednesday**. Children need to come to school in their PE kit. Our Kit consists of black shorts/bottoms, white t-shirt, PE hoodie and black trainers.

Please remember **no earrings** on PE days.

### Homework

Children will receive paper maths and grammar homework each Monday. This needs to be returned the following Monday. Children that do not complete this at home will complete it in lunchtime club.

### Reading

Y6 children need to continue to read often (at least 3 times a week at home) to develop their fluency, general knowledge and love of books. Children are expected to have a reading book in school everyday, this can be from home or school. Children are also expected to have a home reading book, this can be from school or one from home.

Children need to record which book they are currently reading on padlet by using this QR code (this can be done in school or at home).

### Maths

Using TTRockstars, Sumdog and Hit the button will be really helpful for the children to develop understanding of key mathematical concepts.

### Communication

Please make sure you have the MCAS app set to notify you of messages
