Summer Term 2

June 2021

How you can help

Maths This half term we will be moving on to fractions. We will also be learning the time to 5 minutes and measuring length, height, weight and capacity.

English This half term we will be reading poetry. We are going to read a range of poetry and we will be learning poems by heart to perform them. We will also be creating our own poems.

I hope you all had a lovely half-term break. We have lots of exciting learning planned for this half term. I cannot believe we only have 7 weeks of the year left until your children move to KS2! They are certainly smart enough!

Miss Austerberry, our PGCE student, will continue to be in class for another two weeks.

Our topic is continuing; 'What would it be like to live in Ethiopia?'

Our science and geography topics are continuing this half term.

In art, we are making sculptures. We will be using clay to experiment with making textures and shapes. We will be making animal sculptures.

In PSHE we are learning, 'How do we recognise our feelings?'

Many thanks for your continued support,
Mrs Goodwin

In addition, we will be focusing on grammar, spelling, punctuation and handwriting.

PE will continue to be on a **Monday** and **Friday**. Children need to come to school in their PE kit. Also, please remember no earrings on PE days.

Homework is due on Mondays and we will mark and send out homework books on Tuesdays. Please continue to encourage your child to read every night.

Home reading Books are changed as needed. Please send a message on dojo if you want to speak about your child's book or reading.
