Curriculum

Our author of the half term is Zanib Mian who has written books known for bringing diversity to children's literature.

As historians we will ask 'Were the Britons sad to see the Romans leave?' We will also have a Romans workshop with special visitors.

As scientists, we will be learning about the digestive system.

In RE we will continue learning all about why festivals are important to religious communities.

In DT, we will be designing and creating our own complex electrical circuits.

In PSHE we will learn about health and well-being.

Maths Homework

Children will receive Maths homework each week on a Monday. This needs to be returned the following Monday. We will be adding dojos for those who answer most correctly.

Reading at home

Children need to read their book to develop fluency. We will change the books when needed. Log reading on the Boom Reader. Children need to insert their reading book marks so we know whose book it is. We will be adding dojos for those who are changing their books and working towards becoming a free reader!
