

As a part of your child's education at Bradley Green, we promote personal wellbeing and development through a comprehensive Personal, Social, Health and Economic (PSHE) education programme. Relationships and sex education (RSE) is taught within our PSHE curriculum. PSHE/RS education is the curriculum subject that gives children the knowledge, understanding, attitudes and practical skills to live safe, healthy, productive lives and meet their full potential. Pupils will have opportunities to privately ask questions and discuss any worries.

Please visit the school's website: <https://bradleygreen.org.uk/curriculum/our-curriculum/pshe> for more details about our PSHE curriculum. All PSHE teaching will take place in a safe learning environment and is underpinned by our school values.

As a school community, we are committed to working in partnership with parents. Parents have the right to withdraw their child from any aspect of Sex Education, other than those that are part of the science curriculum. Each term your child's teacher will inform you of the PHSE/RSE coverage. If you would like to find out more or discuss any questions, please contact us.

Lessons in **Year Five** will include pupils learning about:

Families and friendships	<ul style="list-style-type: none"> what makes a healthy friendship and how they make people feel included strategies to help someone feel included about peer influence and how it can make people feel or behave the impact of the need for peer approval in different situations, including online strategies to manage peer influence and the need for peer approval e.g. exit strategies, assertive communication that it is common for friendships to experience challenges strategies to positively resolve disputes and reconcile differences in friendships that friendships can change over time and the benefits of having new and different types of friends how to recognise if a friendship is making them feel unsafe, worried, or uncomfortable when and how to seek support in relation to friendships
