

Year 5 and 6 statutory spellings

These are to be given out to children to have a copy in school and at home. Each row shows the statutory spellings that should be covered in that half term.

Spelling tests can be used to assess, however the vital thing is for children to be applying this knowledge in to their learning.

These should be visible around the room.

accommodate, ancient, awkward, communicate, convenience, determined, equipment, explanation, guarantee, individual, marvellous, occupy, prejudice, recognise, sacrifice, soldier, temperature, yacht
