Individual photos will be taken on 24th October—with photos with non-school aged siblings starting from 8.30am

These make a great Christmas present for family members and are an especially good memento for reception and Y6 children as it's the start and end of their time at primary school.

Online Safety Workshops for Parents

On Monday 26th November, we will be hosting the NSPCC for children's safety assemblies and a parent's workshop where they want to help every family in the UK talk about and understand their children's online world and help keep them safe.

SAVE THE DATE!

Volunteers—If you have any spare time, school would love for you to volunteer—anything from helping on trips, listening to readers or general classroom help! See the office or your child's teacher if you think this is something you're interested in! School will apply for your DBS on your behalf so you are on our register to help (and it's free!)

Safe Squad 2018

Year 6 visited the Bennett Street Community Centre on Friday 28th September to learn about Digital Safety, Community Safety and Personal Safety. They took part in drama sessions, CPR and had some extremely mature discussions about the best ways to keep themselves safe, especially as they are now in their final year at primary school and will moving up to high school in less than a year.

Smoking—Please can I remind parents and carers that we are a non-smoking site and that includes e-cigarettes. If possible, please could you refrain from smoking around the drive way when children are coming to and from school as we want to set the best examples for our pupils. Also, this will reduce litter around the school grounds. Thank you ☺
