Knowledge is Power

At Bradley Green Primary Academy, we believe that 'Knowledge is Power'. From January 2019, we are introducing a new strategy to help deepen the children's knowledge and understanding of the world. Each half term, the children will bring home 'Knowledge organisers'. This document contains the essential knowledge that the children will need to know as part of their topic. The knowledge organisers are designed to be used at home by parents to help children learn the information contained within them. Our aim is that all children will be able to recall all the information confidently by the end of each topic. We are confident that knowledge organisers will help children to develop a deeper knowledge of a wide range of topics and will significantly improve their vocabulary. These will be sent home at the start of each topic and can be downloaded from the class pages on the school website.

Late Pick Up

We have an ongoing issue with groups of children who are not collected at 3.15pm on a regular basis. This results in them sitting outside the school office and stopping the office staff from being able to carry on with their job. Teachers are not always able to supervise the children after 3.15pm as they run their own after school clubs or attend meetings. If you are more than 5 minutes late to collect your child, we will send them over to care club where they will automatically join the 3:15-4:15 session and be charged £3. If you know you are going to be late and contact the office, we will automatically send your child to care club so you will be able to collect them quicker and stop them from having to sit outside the office.
