## Free School Meals – Who is Entitled?

### Important Information for Families.

Firstly, if your child is already receiving **Free School Meals and is in Years 3–11, there is nothing you need to do.** The Local Authority already holds your information and will automatically check your child’s eligibility ahead of their return to school in September 2026.

**If your child is in Key Stage 1 (Reception to Year 2), they will already have been receiving a free school meal through the universal infant scheme.** If you have previously completed a Free School Meal application, so that your child’s school can access additional funding, your eligibility will also be automatically checked—so again, you do not need to take any action.

If your child has not been receiving a free school meal and you believe your they may be eligible please read the information below.

From September 2026, the Government is extending eligibility for Free School Meals. This means that more families may now qualify for support, even if they have not previously been eligible.

### What this means for you

If your household income is lower, your child may now be entitled to free school meals at school

Schools receive additional funding (known as Pupil Premium) for every eligible child, which is used to support learning, resources and enrichment opportunities

Even if your child prefers a packed lunch, applying can still bring valuable benefits to both your child and the school

### What you need to do

If you think you may now be eligible, we strongly encourage you to submit an application before the start of the academic year.

Applications are quick, confidential and securely processed

If your child is already receiving Free School Meals, you do not need to reapply.

### Why it’s important to apply

Ensures your child receives all the support they are entitled to

Helps the school access additional funding to support pupils

May provide access to further support, such as help with trips or activities

If you would like further information or support with your application, please contact the school office.

**School dinners from September—**  
From September the prices of our school meals will be increasing slightly. One weeks school dinners cost £3:00 per child. This change will be permanent from September

**We encourage all families to take a few minutes to check their eligibility — this support can make a real difference.**

## Year 3 Linking Project !

Waterfoot Primary and Bradley Primary School both took part in an exciting linking project. Yesterday, they met each other for the second time and made wonderful friendships. They took part in circle time activities and enjoyed a picnic lunch together. What a wonderful day!

### Return of your Library Books-

As we are coming to the end of the term please may all children return their **library books** to school, as well as their at **home reading books**. Please could these be returned before we break up for the summer holidays.

6Q– Huzail A

**Year 4 enjoyed a fascinating visit to the Guru Gobind Singh Gurdwara in Bradford.** The children received a warm welcome , they enjoyed a guided tour of the Gurdwara and explained its importance within the Sikh faith.

During the visit, the children had the opportunity to ask thoughtful questions and learn more about Sikh beliefs, traditions and practices. They listened carefully and showed great curiosity throughout the experience.

All of the children were exceptionally well behaved and represented the school brilliantly. They were a credit to themselves and our school.
