- Mrs Johnson will be running an 'Art Club' in the summer term.
- Mr Chan will be starting a Chess Club after half term.
- Children are allowed to use the basketball hoops at lunchtime – they can ask lunchtime staff for a ball.
- Alyette attended the meeting and the children had some requests and suggestions for her.
- They asked for the curries to be spicier.
- They would like more choice for desserts – as well as a different dessert each day, the children can always ask for fruit or yoghurt.
- Some children have asked for noodles, however, when Alyette has put these on the menu previously, the majority of children haven't liked them.
- The children have asked if the portion sizes can be adjusted according to the age of the child.
- There have been requests for chicken nuggets but Alyette is only able to order quorn nuggets as the chicken ones aren't available.
- Samosas will be back on the menu in the summer. Alyette always orders these, as soon as they are available, as they are very popular.
- Ice-cream will also be available in the summer term.
- There will be an Eid-themed lunch on Monday 23rd March.
- Alyette is unable to order milkshakes as they aren't halal.
- As pancake day is during half term, the children will have a pancake lunch on Thursday 12th February.

Thank you children for your contributions.
