- Mrs Taylor attended the meeting today.
- The children had a long list of questions ready for her.
- They asked if we could have some extra clubs (both after school and at lunch times). They suggested: basketball, football, cricket, baking, art, dance, ICT, French, music, boxing, gymnastics and gardening.
- The children asked if we could have fake grass on the top yard. Mrs Taylor told them that we will be getting a new safer surface soon as well as some portable football nets and hoops.
- The children have asked if they can make their dessert choices in the morning as well as their mains.
- Once the workmen have finished in school and the vans are no longer in the yard, children can begin to play cricket again at lunch times.
- 6Q children have asked for some new books for their book shelf in class.
- The children have asked for more activities at lunchtime. With the new Opal Play, which will be up and running in the next few weeks, there will be a huge variety of activities/equipment so watch this space.
- We are looking into starting to use the garden once Opal Play is up and running.
- Some children have asked for more trips in school – the children can speak to their teachers about trip linked to their learning.
- The children have asked for a ‘Toy Day’ – Mrs Taylor will think about this.
- The representative’s photos are now on the school website as well as the display board outside 3J.
- The children have asked for a ‘Reading Day’ – maybe Mrs Stephenson could arrange something.
- Children would also like more cake sales in school.

Thank you!
