- As Ramadan is coming up, the children have asked if they can decorate classes in the last week of half term.
- They have suggested that we have a coffee morning, for parents, to celebrate the start of Ramadan.
- During Ramadan, the children said it would be nice to have an evening where parents can come into school to open their fast.
- Then, for Eid, they would like to decorate the school/classes with Eid decorations.

Thank you children for your contributions.
