Dear Parents/Carers

From Sept 2024, the government have announced funding for a national wraparound childcare programme. We are looking to find out your views on childcare for primary school aged children from reception to year 6.

The funding is to enable schools and local providers to set up and expand before and after school childcare provision and can include private, voluntary and independent organisations, schools and childminders. The wraparound childcare can operate on a school site or at another setting in the area, term time only.

To support the delivery of this programme, we need to understand your wraparound childcare needs. If you are already using before or after school childcare we would still like to hear from you.

We would be delighted if you could complete the survey by clicking this link <https://online1.snapsurveys.com/vt082j> or scanning the QR code below using a mobile or digital device. The survey should take no more than 3 minutes to complete. If you have and have completed this survey already, please disregard this letter.

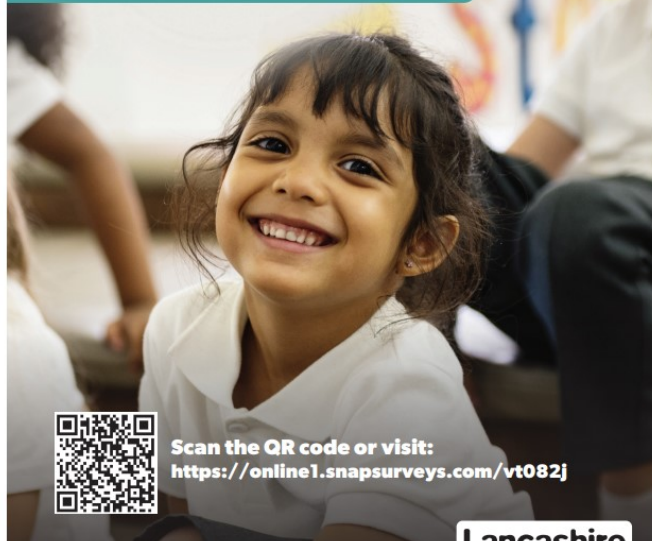

Kind Regards
